

FROM PIONEERS TO LEADERS, CONTINUING THE LEGACY OF QUALITY EDUCATION AND COMMUNITY EMPOWERMENT

CONFERRED AUTONOMOUS STATUS FOR 10 YEARS

Nehru College of Engineering and Research Centre (NCERC) has been granted the prestigious status of **Autonomous Institution**, elevating it to the pinnacle of educational excellence. Nehru College of Engineering is the state's first autonomous private engineering college in Kerala's central and northern regions. Embracing Excellence through Autonomy, Nehru College of Engineering and Research Centre has the freedom to design our own educational path, innovate curriculums, and adapt to the ever-changing needs of the industry. NCERC is a learning environment that encourages creativity and individual development, as well as providing limitless opportunities for research, collaboration, and leadership development. These outcomes are, of course, the result of a tremendous amount of work by our academic and professional services staff. The NCERC's 20th anniversary celebrations show the institution's unwavering commitment to high-quality education. Adv. Dr. P. Krishnadas, our Chairman and Managing Trustee, and the entire management team, as well as our dedicated faculty, staff, and brilliant students, are ushering in a new era in education. We carve the path to excellence and limitless possibilities together.

Well done sir... 'Feedback is the breakfast of Champions', recognitions are counted as feedback for flow of performance.

An award is the recognition that you received from others to say well done for making a specific difference. It's about bettering the lives of others, being part of something bigger than yourself, and making a positive difference. Chairman Adv. Dr. Krishnadas proudly receiving the Prestigious "MBA" Award (Multi Billionnaire Business Achiever) at an outstanding function held at the Hotel Le-Meridien Cochin.

Adv. Dr. P Krishnadas, Chairman and Managing Trustee of the Nehru Group of Institutions, was honoured with the **India Book of World Records and the International Excellence Award** at the G20 Presidency Celebrations for the exemplary work that has emerged from India over the last pioneering 50 years of the Nehru Group of Institutions in the Higher Education Sector.

The Legacy Lives On...

"The soul can never be cut to pieces by any weapon, nor burned by fire, nor moistened by water, nor withered by the wind."

Our Founder Chairman
Late P. K. DAS

The Jawaharlal College of Engineering and Technology in Lakkidi, Palakkad, has become Kerala's first self-financing engineering college to receive NAAC A+ accreditation with a score of 3.38/4 in cycle 1.

The hiring of a new educator enables the introduction of new ideas and educational philosophies into the college community. The progress we've made toward our vision, as well as the achievements we've listed, would not have been possible without our team's talent, expertise, dedication, and enthusiasm. This year, we have made a number of senior appointments to help lead the implementation of our strategic objectives. We were delighted to welcome all eminent and distinguished Professors into the NGI family.

A BEACON OF INNOVATION IN OUR ESTEEMED LEGACY

A significant addition to our cherished legacy of Nehru Group of institutions – **Nehru College of Arts and Science**. Steeped in the rich traditions that define our alma mater, this new college emerges as a beacon of innovation and academic excellence, seamlessly woven into the fabric of our esteemed legacy. As we welcome Nehru College of Arts and Science into our fold, we celebrate not only the growth of our institution but also the promise of new horizons in education. Rooted in the time-honored values that have defined us for generations, this new chapter embodies our commitment to fostering intellectual curiosity, nurturing talent, and preparing future leaders.
