ASC 100/26/NURSING/SFNCK

B.Sc. NURSING ADMISSIONS 2026-27- REPRESENTATION SUBMITTED BY 2 SELF FINANCING NURSING COLLEGES OF KERALA FOR PUBLICATION OF NOTIFICATION FOR INVITING ONLINE APPLICATIONS- ORDER ISSUED ON 21.08.2026.

PRESENT:

HON'BLE MR. JUSTICE K K DENESAN

❖ CHAIRPERSON

READ:

- (1) ORDER NO. ASC 100/26/NURSING/PNCMAK DATED 08.06.2026
- (2) LR. No. BCON/13082026/26 DATED 13.08.2026 FROM THE PRINCIPAL, BELIEVERS COLLEGE OF NURSING, KUTTAPUZHA, THIRUVALLA.
- (3) EMAIL DATED 13.08.2026 FROM THE PRINCIPAL, P K DAS COLLEGE OF NURSING, OTTAPALAM, PALAKKAD.

ORDER

 Admission Supervisory Committee, [for short, the Committee], by Order referred to as 1st paper above, permitted the Private Nursing College Managements Association of Kerala [for short, the PNCMAK] representing 49 Self-financing Nursing Colleges to publish the Notification inviting online applications from the aspirants of B.Sc. Nursing, PB.B.Sc. Nursing &

M.Sc. Nursing courses for the academic year 2026-27 subject to conditions prescribed therein.

2. Thereafter, Principals of 2 Self Financing Nursing Colleges of Kerala by communications referred to as 2nd to 3rd papers above, have submitted the representation along with the draft prospectus before the Committee for approval.
3. On preliminary verification of the draft prospectus and the supporting documents, ASC found that action relating to the issuance of affiliation orders as also seat matrix was pending with the INC, KNMC, KUHS and the Government and that the request of the Nursing Colleges could be considered only after the issuance of those orders.
4. In the normal course, the admission process would commence from the date of publication of the notification inviting applications from the candidates. Publication of notification inviting applications and all subsequent steps for finalising the rank list and admitting the candidates are to be carried out in accordance with the schedule of admissions which is an integral part of the prospectus. That means, schedule of admission will be notified only with the approval of the prospectus is granted by ASC.

5. The unfortunate fact is that, the admission process, as stated above, is getting delayed due to the delay on the part of INC, KNMC and KUHS in issuing the requisite orders. No doubt, the candidates are the victims of such inordinate delay. Not only the opportunity due to the candidates to apply for the course on-time is denied but the legitimate interest of the colleges that are functioning within this State is also affected by the delay in commencing the admission process. Representatives of some of the Nursing Colleges would point out that some 'agents' who are interested in making money by offering admissions to the candidates in educational institutions outside this State are taking advantage of the present situation caused by the delay in starting the admission process in the Nursing Colleges in Kerala.

6. Committee thinks that there is substance in the apprehension entertained by the Nursing Colleges and, therefore, immediate intervention by the ASC is necessary to safeguard the legitimate interest of the candidates and their parents on the one hand and the Managements running the college, on the other.

7. In the above facts and circumstances, it is only just and proper that the request made by the Nursing Colleges in its representation is granted subject to such conditions that would protect the rights of the student's community and the college authorities. Hence, ASC hereby order that pending approval of the draft prospectus, the Nursing Colleges are permitted to invite applications from the candidates who aspire to get admission to B.Sc. Nursing Course 2026-27 by publishing Notification in the newspapers, website of the colleges and the notice board of the colleges. Permission, as granted above, is subject to the following terms and conditions.

8. a) This invitation is published pending finalisation of the draft prospectus with the approval of the Admission Supervisory Committee.
- b) Applications will be processed, rank list of eligible and qualified candidates will be prepared and all further steps for admitting the qualified and eligible candidates will be taken in accordance with the provisions in the approved prospectus and the schedule of admissions which is an integral part of the prospectus.
- c) Notification inviting applications shall be published on or before 22nd August 2026.
- d) Applications shall be submitted online.

- e) The last date for closing of online applications will be 6th September 2026.
 - f) Schedule of admissions which forms part of the approved prospectus can be notified only after the ASC issues orders approving the prospectus.
9. Conditions, stated above, shall be incorporated in the Notification inviting applications for admission to the Nursing Course.

E-Mail this Order to the Principals of Nursing Colleges.

Dated on this the 21st day of August 2026
