(Approved by Indian Nursing Council, Kerala Nurses & Midwives Council & Kerala Government
Affiliated to Kerala University of Health Sciences)

As apart of NSS and community nursing, an awareness program was conducted regarding mosquito control measures in selected families in the Akshaya Nagar , Vaniyamkulam. The awareness program was inaugurated by Mrs Rose Jose, Assistant professor of Nehru College of Nursing. The conduct was presented by Achsah N Cherian, Akhila k, Alen cherian, Alousiya Rachel Varkey, Alphonsa George, Amaya S V, Anagha Mohan V, Anagha Sureshkumar, Aneena Joshy, Angel Rose VJ.

Mosquito control measures is easy when you know what to do. Mosquito control measures included biological controls, cultural or physical controls, chemical controls and also personnel protection. This awareness program was given to 10 families. It took about 25 minutes for presentation. Audience cleared their doubts by asking questions after the session.

REPORT ON HEALTH EDUCATION PROGRAMME ON HOUSEHOLD WASTE MANAGEMENT

Biomedical waste management methods aim to avoid waste generation or recover as much waste as possible, rather than disposing of it. Therefore, the various methods of biomedical waste disposal according to their desirability, are prevent, reduce, recycle, reuse, recover, treat and lastly dispose of. So, the awareness programmes in community houses will be very beneficial. As a part of the NSS Campaign, we are the 4th year BSc. Nursing students of Nehru College of Nursing have conducted an awareness programme regarding household waste management in community houses as a part of a home visit on 24-06-2022 at 10 AM in Minippadi. The class was very much effective for the community people, they will gain knowledge about household waste management.

Through the health education program, students acquired skills to deliver the important matters to the public, knowledge regarding types of wastes, its management and problems associated with increased household wastes. The people got informations regarding household wastes and its proper management.

Awareness program on Prevention of Accidents

As a part of NSS and Community Health Nursing, an “Awareness Program on Prevention of Accidents” was organized in Community Health Centre, Shornur on 18/08/2022 at 10.30 am for outpatients. The awareness program was inaugurated by Mr.Midhun J, PHN. The content was presented by Athira, Charutha, Ayana, Ashna & Assiya

Preventing accidents is easy when you know what to do. Accident prevention is the plans, preparation, and actions taken to avoid accidents or stop them from taking place. There were almost 45 people gathered for this awareness program. we explained in detail about various causes, management, and prevention of major forms of accidents that occur in our everyday life with the help of appropriate audio—visual aids. It took 30 minutes for presentation. The audience cleared their doubts by raising questions after the session.

The students gained knowledge from different resources regarding accidents, its incidence, types and preventive measures. The public got information regarding prevention of accidents .

REPORT OF MEDICAL CAMP ON DEAF AND DUMP GOVERNMENT SCHOOL, KANIYAMPURAM

Deaf and dump is an archaic term that is considered offensive. Many deaf people do not use a spoken language, thus they are technically mute. The dump has also meant mute. Being deaf is not a mental illness; it's simply a problem with their hearing, and that can affect their ability to speak clearly or in some cases at all.

As a part of the NSS Campaign, the 4th year BSc.Nursing students of Nehru College of Nursing have got an opportunity to be a part of the medical camp on Deaf and Dump Government School, Kaniyampuram in collaboration with the Primary Health Center, Lakkidi. The program was conducted on 21-07-2022 at 10 am. Around 50 students participated in the medical camp. Mainly the screening tests for anemia and physical examination of the students were done.

Through this medical camp, signs and symptoms of anemia were noted among some of the students. It became beneficial for them to seek early treatment. Students gained skills to use different screening tests and do the thorough physical examination.

ONAM WITH GOLDEN AGERS

(Onam celebration for old age people organized by The NSS volunteers NCN and Vayomithra unit Ottappalam)

NSS units are the essential component of each campus. It helps the student to grow individually and also as a group. It makes the students confident, develop leadership skills, and gain knowledge about different people from different walks of life. Students also learn other skills that help them lead a better life in various situations. They are socially very much committed & always try to reach their helping hand to the vulnerable in the society

The NSS volunteers of NCN and Ottappalam Vayomithra unit organized an Onam celebrations for the golden agers on Sep 5th 2022 at Pisharadi auditorium Kanniyampuram . The program was presided over by Mrs. K. Janaki Devi (Ottappalam Municipality chairperson) and was formally inaugurated by Ottappalam MLA Advocate K . Premkumar followed by beautiful speech. MLA Mr. K. Premkumar delivered Onam wishes to all. After formal inauguration there was Thiruvathirakali, folk songs, and other dance programs by NSS team NCN . Apart from this, various kinds of games made the celebration attractive. Nehru college of Nursing NSS volunteers, Vayomithram counsellors and old age people participated in all programs. To add sweetness to this celebrations delicious payasam was given by NSS volunteers to golden agers. The joy of celebration rang out in the hearts of the golden agers that are in the shores of loneliness & sorrow.

HRIDHAYATHALAM

World heart day 2k22

World Heart Day (29 September) is an opportunity for everyone to stop and consider how best to use heart for humanity, for nature, and for self. Beating cardiovascular disease is something that matters to every beating heart. World Heart Day 2022, is asking the world to: USE HEART FOR EVERY HEART. Use Heart means to think differently. To make the right decisions. For Every Heart involves the use of ‘FOR’ and swings the focus from the actions themselves to the beneficiaries of the actions, allowing for wider application of the campaign while also making it more personal

Thinking a different approach which is good for cardiac health, P K Das institute of medical sciences in coordination with NSS unit in Nehru College of Nursing & other colleges under NGI organized a marathon & zomba segment on the World heart day September 29th 2022. With unconditional effort & unity the event made remarkable on the special day. The marathon was followed by the inaugural function. Honourable Chairman & managing trustee Adv Dr P Krishnadas inaugurated the event officially. Dr R C Krishnakumar (Director operations PKDIMS), Dr Frijo George (Cardiologist PKDIMS), Dr M A Androose (Principal PKDIMS) & many other dignitaries addressed the gathering & reminded the importance of this special day. The Medallions our 3rd year BSc Nursing students manifested outstanding performance in the event & Mr Rahul secured 3rd position in marathon boys Ms Farshitha got second & Ms Aksha got third from girls side & received prizes from Honourable Chairman & Managing trustee Adv Dr P Krishnadas. A vibrant zomba session was led by the zomba trainer Dr Gouri Megha after the marathon. Our students had participated in this session very energetically. This was followed by releasing of red love balloons in the sky which representing the theme use the heart for every heart.

“ONAM VARAVAI 2K22”

(ONAM CELEBRATION & AN AMUSEMENT EVENT FOR THE INMATES OF MANOMITHRA INSTITUTE OF MEDICAL SCIENCES Pvt.Ltd. PANNIMADA, MALAMPUZHA, PALAKKAD)

“Onam is marked by happiness, excitement and enjoyment among all sections of people. It opens up with an entirely new world of an exotic taste, exquisite fragrances, and an enchanting display of flowers & new outfits. Designating time for leisure activities is an important part of maintaining good mental health”

The Mental health department & 3rd year students of Nehru College of Nursing organized onam celebration & an amusement event for the inmates of Manomithra Institute of medical sciences, one of the nation's leading inpatient psychiatric hospitals on 20th Aug 2022.. The aim of the program was to engage & entertain the inmates there & bring them in to the mode of celebrating of one of the authentic festival of Kerala ONAM. The place was made festive with flowers, decorations by The MEDALLIONS. They have performed marvelous Thiruvathirakkali & onam songs which expresses the Kerala tradition & rituals of onam. All the patients & staffs of Manomithra offered a great participation in the event. The MEDALLIONS of NCN really need pronounced admiration for organizing such an impressive program which was a warm breeze to the inmates of Manomithra who struggle in the shores of mental instability

As part of NSS and community nursing, an awareness program was conducted regarding mosquito control measures in selected families in the Akshaya Nagar, Vaniyamkulam. The awareness program was inaugurated by Mrs Rose Jose, Assistant professor of Nehru College of Nursing. The conduct was presented by Achsah N Cherian, Akhila K, Alen cherian, Alousiya Rachel Varkey, Alphonsa George, Amaya S V, Anagha Mohan V, Anagha Sureshkumar, Ancena Joshy, Angel Rose VJ.

Mosquito control measures is easy when you know what to do. Mosquito control measures included biological controls, cultural or physical controls, chemical controls and also personnel protection. This awareness program was given to 10 families. It took about 25 minutes for presentation. Audience cleared their doubts by asking questions after the session.

REPORT ON HEALTH EDUCATION PROGRAMME ON HOUSEHOLD WASTE MANAGEMENT

Biomedical waste management methods aim to avoid waste generation or recover as much waste as possible, rather than disposing of it. Therefore, the various methods of biomedical waste disposal according to their desirability, are prevent, reduce, recycle, reuse, recover, treat and lastly dispose of. So, the awareness programmes in community houses will be very beneficial. As a part of the NSS Campaign, we are the 4th year BSc. Nursing students of Nehru College of Nursing have conducted an awareness programme regarding household waste management in community houses as a part of a home visit on 24-06-2022 at 10 AM in Minippadi. The class was very much effective for the community people, they will gain knowledge about household waste management.

Through the health education program, students acquired skills to deliver the important matters to the public, knowledge regarding types of wastes, its management and problems associated with increased household wastes. The people got informations regarding household wastes and its proper management.

REPORT ON AWARENESS PROGRAMME ON HAZARDS OF ECOSYSTEM DESTRUCTION

An ecosystem is a collection of plants, animals and other living organisms that share the space and benefits of an environment. When external factors such as pollution, the balance of the ecosystem are disturbed, so they have termed ecosystem destruction.

As a part of the NSS Campaign, the 4th year BSc. Nursing students of Nehru College of Nursing conducted an awareness programme regarding hazards of ecosystem destruction on 24-06-2022 at 10 AM in the Community Health Centre, Shornur. The class was very much effective for the community people, they will gain knowledge about the hazards of ecosystem destruction. The public awared about the hazards of ecosystem destruction through this campaign. The students improved the skills to present a theme for the public and became more knowledgeable.

Awareness program on Prevention of Accidents

As a part of NSS and Community Health Nursing, an "Awareness Program on Prevention of Accidents" was organized in Community Health Centre, Shornur on 18/08/2022 at 10.30 am for outpatients. The awareness program was inaugurated by Mr. Midhun J, PHN. The content was presented by Athira, Charutha, Ayana, Ashna & Assiya

Preventing accidents is easy when you know what to do. Accident prevention is the plans, preparation, and actions taken to avoid accidents or stop them from taking place. There were almost 45 people gathered for this awareness program. we explained in detail about various causes, management, and prevention of major forms of accidents that occur in our everyday life with the help of appropriate audio-visual aids. It took 30 minutes for presentation. The audience cleared their doubts by raising questions after the session.

The students gained knowledge from different resources regarding accidents, its incidence, types and preventive measures. The public got information regarding prevention of accidents .

REPORT OF AWARENESS PROGRAM ON DIET AMONG OLD AGE PEOPLE

The fourth-year B.Sc nursing students of Nehru College of Nursing went for an old age home visit on 24 September 2022 at "Emmanuel Geriatric Centre", Thiruvilwamala. The institution is run by Mr. Isac and Mrs. Maneesha, since 2004. There were a totally of 11 old age people and two orphan children. There we conducted an awareness program regarding diet among old age people under the guidance of our faculties Mrs. Zaina Elizebath and Mrs. Rose Jose. All the inmates were diabetic free so we prepared tapioca, fish curry, and chammanthy along with black tea. We spend a whole day with them made them entertained and also gave financial support to them. Students gained knowledge regarding the requirements of nutrients for old age. The oldage people got nutritious food on lunch time and acquired informations regarding their nutritional requirements.

NSS VOLUNTEERS PARTICIPATION IN THE MEDICAL CAMP

All the NSS volunteers who opt to serve the nation through the NSS lead community service with pride and a sense of responsibility towards helping the needy. Being one of the major part of the health care system it the responsibility of the nurse to take steps forward for those who are in need of the health care facilities.

The NSS Volunteers of Nehru College of Nursing were a part of the health camp & the first aid clinic organized by P K DAS INSTITUTE OF MEDICAL SCIENCE at THIRUVILLUAMALA , SREE VILLUADHRI KSHETHRA NIRAMALA MAHOLSAVAM on 22nd Sep 2022. Our NSS volunteers from 4th year BSc Nursing , Mr. ARUN & Mr . ALEN CHERIYAN had given a dedicative work there in the camp along with the efficient medical professionals from our parent hospital P K DAS Institute of Medical Sciences. Such social commitment & responsibility of our students are admiring & these really help them to be the best professional in future.

Students gained skills to perform screening tests and to run first aid clinic. The public got an opportunity to identify the problems earlier and to seek further management.

SCHOOL HEALTH PROGRAMME & SANITATION CAMPAIGN

As a part of Community Health Nursing and NSS activity, Nehru College of Nursing & NSS volunteers conducted a school health programme on 28-9-2022 at TRK Higher Secondary School, Vaniyankulam from 9:30 am to 3:00 pm.

School health programme is carried out with the community to promote and protect the health of students as well as school personnel. Around 107 students took part in school health programme, 57 boys, 50 girls respectively. An Optometrist Mrs. Reshma and a House surgeon Mr. Nirmal participated in this programme. Their sincere service makes the programme successful. All students have undergone both ophthalmic screening and medical check-up. The student assisted for screening and take anthropometric measurements of all school children. Health education given to them about menstrual hygiene and substance abuse. Health exhibition was conducted by using charts and specimens.

In the afternoon session, a sanitation campaign was conducted by NSS volunteers from 2pm -4pm. They cleaned the school ground. It was uplifted the Swachh Barath theme of our nation among school children. The team work of our students make the school health programme successful.

Students acquired knowledge, skill and attitude regarding ophthalmic screening, medical check up and anthropometric measurements. The school students got information regarding their weight, height, BMI and their health status.

AWARENESS PROGRAMME ON INTERNATIONAL WOMEN'S DAY BROCHURE

The brochure features a green background with a central white box containing a stylized profile of a woman's head in red, yellow, and blue. To the left of the profile is the text 'INTERNATIONAL WOMEN'S DAY' with a floral icon. To the right is a large red '8' and the word 'MARCH' in colorful letters. The top left of the brochure has the 'NEHRU of NURSING' logo and 'AWARENESS PROGRAMME' in red. The bottom left lists logos for KUHS, QAS A+, Swayam, IAS Innovation Cell, Innovation and Entrepreneurship Development Centre, and Institution's Innovation Council. The bottom right contains the event details: 'TOPIC : Menstruation among adolescent girls', 'VENUE : Nirmala English Medium High School, Erumapetty', and 'TIME : 2 PM'.

AWARENESS PROGRAMME ON INTERNATIONAL WOMEN'S DAY

REPORT

Venue: Nirmala English Medium High School, Erumapetty

Date: 8 march 2023 Time: 2pm

As part of Research project, on 8th March 2023, faculty from Dept.of Obstetrics and Gynaecology, Nehru College of Nursing Vaniyamkulam conducted an awareness programme at Nirmala English Medium Higher Secondary School, Erumapetty. Topic: **Menstruation**. Problem statement for the research: "Effectiveness of structured teaching programme on knowledge about menstruation among adolescent girls in a selected school of Erumapetty GramaPanchayat". The faculty members were Lt Col (Asso.Prof) Regina.P.L. Asst.Prof. Dana Baby and Lecturer Delphy Varghese. Total students attended: 117. They were very attentive and enthusiastic. Classes conducted by Power point presentation. The doubts were clarified. Principal and the team was very co-operative and they appreciated our programme. Feedback from the students were commendable.

EQUALIZE - World AIDS Day 2022.

To spread awareness about devastating effects of AIDS and about the measures to be taken to prevent the spread of HIV virus. The UN observes 1st day of December of every year as the World AIDS Day. People around the world unite to show support for people living with and affected by HIV and to remember those who lost their lives to AIDS.

The inequalities which perpetuate the AIDS pandemic are not inevitable; but we can tackle them. This World AIDS Day, UNAIDS is urging each of us to address the inequalities which are holding back progress in ending AIDS. The “Equalize” slogan is a call to action. It is a prompt for all of us to work for the proven practical actions needed to address inequalities and help end AIDS.

The Nehru College of Nursing NSS unit and the department of community health nursing organized very informative programs like Skit, Flash mob to provide all facets of awareness about the AIDS on this World AIDS Day, 2022 at P K Das Institute of Medical Sciences, Ottappalam Bus stand, and TRK Higher Secondary School, Vaniamkulam. The students also conducted a quiz competition at TRK Higher Secondary School. Students actively participated in all the programs and provided more information to public about prevention of AIDS and also explained the importance of theme “Equalize”.

The Public got an awareness regarding AIDS through the skit and flash mob. Students have improved their skill in educating the public through various methods.

NSITE -MEGA EXPO 2022

Nehru Group of Institutions (NGI) conducted NSITE Mega Expo 2022 on December 8th and 9th at Pambadi and Lakkidi Campus.

The program was inaugurated by Dr.Narayanan Komarath. The presidential address of the program was done by honorable Chairman & Managing Trustee Adv. Dr.P.Krishnadas and felicitation by CEO & Secretary Dr.P. Krishnakumar.

The third year students were actively participated and put a stall in both campus in the name of Nehru College of Nursing, sixty students from third year participated in the program. In the Nursing College stall, three stations such as Blood Sugar, Blood pressure monitoring and BLS were available. The public were benefitted by this stall. They utilized this stall for checking the parameters. Also students provide the basic awareness regarding basic life support to those who visited the stall.

The stall of Nehru College of Nursing, was one of the best in promoting the concepts of healthy life.

AWARENESS PROGRAMME ON PREVENTION OF NON-COMMUNICABLE DISEASES

As part of NSS and community health nursing, an awareness program was conducted regarding the prevention of non-communicable diseases in CHC. The awareness program was inaugurated by Mr. Midhun JPHN. The content was presented by Aparna A S, Ansil Shabu, Anju Saju, Anjana, and Anisha.

The fourth-year B.Sc nursing students got an opportunity to conduct an awareness program regarding the prevention of non-communicable diseases which is more common among community settings. Prevention of noncommunicable diseases is very easy when you know what to do. Non-communicable disease prevention is the plans, preparation, and action taken to avoid non-communicable diseases. This awareness program was given to 40 patient and was beneficent and its causes, and management was discussed. It takes about 25 minutes. The audience Cleared their doubt by rising questions after the session. Students got knowledge regarding the significance of non communicable diseases and its prevention. This awareness programme provided additional knowledge about the measures to prevent non communicable diseases.

Emerging diseases and their Prevention

As a part of NSS and Community health nursing, the IV-year B.Sc nursing students got an opportunity to conduct an awareness program regarding EMERGING DISEASES AND ITS PREVENTION. A health awareness program was conducted in Lakkidi PHC and inaugurated by medical officer Dr. Sabu. The content was presented by Chelsiya Nixon, Chinchu C.P., Diya Rose, Dona Rose, Emili Elsa, Geethanjali, Haritha R Nair, Hilda, and Jithisha.

Emerging infectious diseases

Emerging diseases include HIV infections, SARS, Lyme disease, Escherichia coli O157:H7 (E. coli), hantavirus, dengue fever, West Nile virus, the Zika virus, Corona virus, Ebola virus, etc. Reemerging diseases are diseases that reappear after they have been on a significant decline. The team discussed the disease conditions, management, and preventive measures. Nearly 11 members took part in the awareness program. The audience benefited from the program by clearing their doubts and active participation. The people who were in PHC acquired knowledge about the emerging diseases and its prevention. The students developed their learning and teaching skills, ability to interact with others and attitude towards health education for public.

‘NO TO DRUGS’ AWARENESS CAMPAIGN

Venue: - Vaniyamkulam Grama Panchayath

The Government of Kerala had launched a comprehensive ‘NO TO DRUGS’ campaign to make the southern states free of destructive contrabands and it would be achieved by any means. The Government of Kerala initiated several antidrug campaigns. Campaign made as a part of curriculum under the consideration of Government, for seeing that everyone should come together without any prejudice to secure the future of country and it’s children. Active participation of students and youth organizations are encouraged to ensure in the fight against drugs.

As a part of antidrug campaign Nehru College of Nursing and NSS unit conducted an antidrug rally and awareness programme in collaboration with Vaniyamkulam Grama Panchayath on 31st October 2022 at 9.30am. 60 students of Nehru College of Nursing take part in the programme. Inauguration done by Panchayath President Mr. Gangadharan. Speech about antidrug done by Panchayath member Mrs. Sindhu. Rally conducted from P K Das hospital to Vaniyamkulam Grama Panchayath. Students actively take part and displayed placards about anti-drug and after that given an awareness programme.

By this programme public got an awareness regarding the drug abuse and its after effects. Students improved their skill to educate the public.

BREAST FEEDING WEEK 2K22

(AWARENESS PROGRAM)

Breast feeding week 2022 focus on strengthening the capacity of acts that have to protect, promote and support breastfeeding across different levels of society. These actors make up the warm chain of support for breastfeeding. Target audiences including governments, health systems, workplaces and communities will be informed, educated and empowered to strengthen their capacity to provide and sustain breastfeeding-friendly environments for families in the post pandemic world. This year, the theme for World Breastfeeding Week (WBW 2022) is "Step up for Breastfeeding - Educate and Support."

With regards to world breast feeding week community health nursing department & ZAPHAYERS organized an awareness program at Primary health center Lakkidi for the breast feeding mothers on 10th Aug 2022 11am. The aim of this program is to promote breastfeeding and bring the breastfeeding community together. People need to be informed about breastfeeding's advantages. The session discussed about bioactive components of breast milk, nutrition & diet during breast feeding, positions of breast feeding, common breast feeding struggles. In This World Breastfeeding Week, let's join hands and promote breastfeeding while educating ourselves and others about the theme, history, and significance of world breastfeeding week.

EXHIBITION OF HERBAL PLANTS

“Plants have been used for medicinal purposes long before prehistoric period. According to WHO, around 21,000 plant species have the potential for being used as medicine. The economic importance of medicinal plants is much more to countries such as India than to rest of the world. As our lifestyle is now getting techno-savvy, we are moving away from nature. So medicinal plants are important for people, not only as a primary source of medicines but also as phytochemical building blocks for development of new drugs “

Community health Nursing department & NSS Unit of Nehru college of nursing organized a exhibition of herbal plants at Govt Voc H S S Koonathara on 17th July 2022 with the aim of making the public aware about the relevance of using medicinal plants in their day today life. Our 4th year BSc Nursing students were the main organizers of this event. Herbs of different categories were displayed in the exhibition & the students explained about each plant & its medical use. Public from local areas & the students of that school were active part of the exhibition. Through this event we tried to spared the message to the public that herbs are natural products they are free from side effects, they are comparatively safe, eco-friendly and locally available & there is a need to promote them to save the human lives. Such interesting & novel ideas for creating public awareness to be certainly appreciated

NCN participation in AROGYA MELA 2K22 Organized by Ottappalam Block Panchayath

Awareness plays a key role in approach to improving access to healthcare. Awareness programs seek to empower communities, medical professionals and patients with appropriate tools, information and skills so that they can make high-quality, informed decisions on prevention, diagnosis, treatment, care, and support.

The department of Community Health Nursing & NSS unit of Nehru College of Nursing got an opportunity to be a part of the health awareness program organized by Ottappalam Block Panchayath including all the Government & private health institutions in Ottappalam block. The program was held in two consecutive days. On 16th July 2022 an awareness rally was conducted, which was from P K DAS Institute of Medical Sciences to Vaniyamkulam Panchayath office. Staffs from different Government & Private Health Care institutions, students from different nursing institutions, ASHA workers, Kudumbashree workers and the other healthcare providers were accompanied in the Rally with pluck cards which conveyed the message of importance of health. The rally singed off with a flash mob by the final year students of Nehru College of Nursing.

On 17th July 2022 an awareness exhibition was conducted at Government Vocational Higher Secondary School, Koonathara. Each of the health institutions prepared a stall which represents different health aspects. Our 4th year students were dealing with maternal & child care. The stall was equipped with different charts & models which explains the concept. Around hundreds of public from the nearby areas attended the event. Team NCN is very privileged & proud to a part of this great event. As the future health care provider, students are the ones who provide the hands-on care & one of the most critical roles that they have in health promotion and disease preventions.

Public got knowledge about critical role possessed by a nurse, health promotion and disease prevention methods through different models and charts . The students took efforts to create these visual aids. So they gained skills to prepare, learn, educate and deliver the content very effectively.

As a part of clinical posting we conducted an “Awareness programme on fracture” in PKDIMS on 24/01/2023 at 10:30 am for outpatients. The awareness programme was inaugurated by Mr. Prabhin DNS. The content was presented by Sandra, Ramshija, Aleesha, Aleena Antony, Aleena Jomon, Reshma, Sanika, Niranjana. Fracture is a break in the continuity of a bone. Fractures range from small partial cracks to complete breaks and can occur in any bone. There are almost 45 people gathered for this awareness programme. We explained in detail about various causes, types, symptoms and management of fracture. It takes about 30 minutes. The audience cleared their doubts by raising questions after the session.

As a part of NSS and Community Health Nursing , we conducted an awareness programme regarding wound healing in PKDAS on 28/3/2023 at 10:00 am for outpatients. The awareness programme was inaugurated by Mrs. Priya Mary Stella vice principal of Nehru College of Nursing , the content was presented by Athira , Aswathi and Bessy . A Wound healing mostly means healing of the skin. The wound healing begins immediately after an injury to the epidermal layer and might take years. There were almost 45 people gathered for this awareness programme. We explained in detail about its causes, clinical features, management and prevention with the help of appropriate audio-visual aids. It takes about 30mins . the audience cleared their doubts by raising questions after the session.

ESTABLISHED 1963

ANTI TOBACCO DAY AWARENESS PROGRAMME 2023

Anti-Tobacco awareness aims to encourage smokers to quit and to prevent young people from starting the habit. The theme of ANTI TOBACCO DAY 2023 is WE NEED FOOD, NOT TOBACCO. This theme emphasizes the importance of raising awareness about alternative crop production and marketing opportunities for tobacco farmers and encourage them to grow sustainable, nutritious crops.

Anti Tobacco awareness programme was organized with mutual effort of Community Health Nursing Dept. Nehru College Of Nursing, & Community Medicine Dept, P K. Das Institute of Medical Science, Vaniyamkulam. The program started with welcome address and unveiling the theme done by Mrs. JUBEENA Associate Professor, PK Das Institute of Medical Science, Vaniyamkulam. DR. R.C. Krishnakumar Honorable Director Operations PKDIMS done the inauguration & welcoming for the programme

NSS Volunteers of NCN performed an excellent and remarkable thematic dance (Ms. Annaina J Tom and group members) who were guided by Mr. Nowfel PM, Mrs. Rose Jose and Mrs Sherin Thomas Nursing Facultes , Community Health Nursing Dept, Nehru College Of Nursing, Vaniyamkulam. Followed by an enhancing role play by PKDIMS students. PK DAS Hospital, Vaniyamkulam, SICOMS College Pathirippala, Govt. ITI College, Vaniyamkulam was made aware of the programme by thematic dance in the hospital premise, auditorium of the respective areas. By raising awareness and promoting tobacco control measures, Anti-Tobacco Day plays a vital role in reducing the burden of tobacco-related diseases and promoting a healthier society

Ardram charitable trust is an organization located in Cheruthuruthy, Kerala, India. It is dedicated to social services and charitable activities, aiming to uplift the unprivileged sections of society. The trust likely engages in various initiatives such as health care service and community development projects to improve the quality of life for those in need.

The 4th year BSC nursing students under the guidance of Mental Health Nursing department initiated a charity program and they visited Ardram charitable trust on 11/05/2024 at 1 pm. They handed over the charity fund to Mr. Unni (The trustee person of Ardram charitable trust) and we engaged in their services during that time. It will be a good support for the person who manages the trust activities.

CLEAN UP CAMPAIGN

A clean up campaign is a community based pro-active effort and environmental initiative. It aims that improving the environment by removing waste and pollutants from public spaces.

Objectives:

- To promote environmental awareness and ensure environmental sustainability.
- To ensure environment is safe, clean and healthy.

Nehru College of Nursing and NSS unit organized a clean-up campaign in TMUP school, Panayur on 04/02/2023 from 8.30 am-12.30 pm. NSS volunteers, third year B.Sc. nursing students along with 3 faculties involved in the campaign. The students have done the cleaning of the school premises. They were divided as several groups and cleaned the school ground area, building surroundings. They have removed the whole waste materials & cleaned the grass & plants from the ground. By this clean-up campaign the students could able to make the whole school premises neat and clean. The staffs & students of the school appreciated the work of the students & by this programme we could create awareness among the school students the need of keeping their surroundings neat and clean.
