VARNAKOOTTU

LIFE SKILL TRAINING PROGRAMME

Skill development programs aim to acknowledge the ability of the youth and extend their support by serving them with the proper guidance; infrastructure, opportunities, and encouragement that help them achieve their ambitions. The NSS unit of Nehru college of Nursing held a training programme in coordination with ICDS for the 1st year BSc Nursing students on **23rd March 2022** in the Multipurpose Hall of Nehru College of Nursing (NCN). The speaker for the session was Dr. Praseedha PG, MD (Ayurvedha) Specialist Medical Officer, Ayushgram Project, Ottappalam Block. The main objective of the Skill development programme was to provide adequate training in market-relevant skills and to create opportunities for the development of talent within the students and improve the overall scope and space for underdeveloped sectors. It builds self-esteem, confidence and leadership skills. The session was really motivating & lifted the students in mode to explore more in life. This was really a golden opportunity for the NCN students to attend such an informative session organized by well enlightened personalities from the Government sector in the field of health care. Adolescent girls from ward 14, Vaniyamkulam Gramapanchayath participated in the program. All the 1st year BSc Nursing students of NCN had attended this training.

By organizing this programme, the adolescents age group girls from ward 14 and 1st year BSc Nursing students Nehru College of Nursing were embedded with the skills useful in their day today life both in family and society.

COMMUNICATIVE ENGLISH

Nehru College Of Nursing Conducted Session on **Communicative English** for I Year B.Sc. Nursing Students by NCN Principal On 11/05/2021 At 10.00am. The aim of this session is to improve the listening, reading and writing skills of students in English. This will be helpful for the for the students to develop their pronunciation, vocabulary, develops confidence while speaking English, will develop the ability to speak and write clearly in academic English. The Sessions Were Very Interesting and Useful. Along with theoretical session practical session also conducted by giving opportunities for the students to speak with group and motivated them to have conversation on the daily activities with their friends and classmates. Students were also participated enthusiastically and clarified their doubts during the open discussion after the session.

PRITHVI 2022

“Saving our earth and its environment becomes highly important as it provide us food and water to sustain life. Our well-being solely depends on this planet it gives food and water to all living things so it is our responsibility to take care of it. That is why each year on April 22, more than a billion people celebrate Earth Day to protect the planet from things like pollution and deforestation. The Earth Day 2022 theme is ‘Invest in Our Planet’. Given that the time is short, the theme highlights the need for people to come together and start taking measures to protect biodiversity and the planet.” Taking as a reminder that; for the mankind , to protect and safeguard the mother earth and its species is mandatory, for making Earth a better place for the coming generations, Nehru College of Nursing had organized PRTHVI 2022 an initiate of planting an organic garden in the campus on world earth day 22nd April 2022.

The basic theory in organic gardening is that; nature knows best. organic garden nurture the ground and therefore all that springs above it through techniques or systems that are found in nature seek to live a cleaner, healthier existence & more in a earth friendly way. 1 st year BSc Nursing Students & all the faculties of NCN together worked to build up the new organic garden in the NCN campus. Such a greater initiative offers the perfect intake of fruits and vegetables for the students & it decreases the amount of toxic chemicals that intake. It also makes the students aware that the only way to honour our mother earth is by creating balance in our lives and adopting eco-friendly habits, and by that we can make this planet a much better place to live in.

VIMUKTHI 2K22 ANTI NARCOTIC CAMPAGHIN

“Adolescents are vulnerable to the effects of substance use and are at increased risk of developing long-term consequences, such as mental health disorders, underachievement in school & college, a substance use disorder, and higher rates of addiction. First, substance use itself may impair cognitive development which, in turn, reduces academic achievement and disrupts academic progression. Recent studies have shown that heavy adolescent substance use can lead to problems with working memory and attention due to changes in adolescent brain activity. Anti-Narcotics Cell Branch initiates action against persons who manufacture, transport, possesses, sale narcotics drugs, psychotropic substance. The goal of the Anti-Narcotic Campaign is to educate the students to reject illicit drugs also preventing drug use and encouraging occasional users to discontinue use.”

Nehru College of nursing organized a anti narcotic campaign along with the excise department Ottappalam on 31st May 2022 at 9.00 am in campus auditorium. Dr. Kavitha Mole P J Principal NCN welcomed the gathering, addressed the students & explained about the need & necessity of organizing anti narcotic campaigns. Mr. Sreejish CI Excise Department Ottappalam was the speaker for the session. All The 3rd year BSc Nursing students attended the session. The class was very interactive, students clarified all their queries with the resource person & they have taken oath that they will not encourage the use of any narcotics & also prevent anyone else using it. These kind of sessions are very much essential in the current society which really aware the students about the consequences of drug abuse & also make them socially responsible to take actions in preventing such activities coming up to their knowledge.

THANNEERKKUDAM 2K22

Extreme heat, coupled with drier conditions can significantly alter animal's habitat. Due to the severe drought condition, most of the water bodies have become dry. The hardness of summer is affecting not only the humans but all other living creatures in the world. As human being is more intelligent & things are much easy for them to access it is their responsibility to protect the other fellow beings in the earth. Being the angels in the earth, the social conscience of our little angels have no boundaries. The NSS volunteers & College union of NEHRU COLLEGE OF NURSING had begun an initiative to save the birds & animals from the severe draught "THANNEERKKUDAM 2K22" on 16th MARCH 2022 with an aim to provide water for the birds & animals to cope up in the drought. Dr KAVITHA MOLE P J (Principal NCN) addressed the gathering & made the students aware about the necessity of such an initiative in the current status & appreciated the effort of the NSS team & college union. NSS Co coordinator Prof. ABADUL NISTHAR & college union chairman MR. ANSHID RAHMAN had done the inauguration by filling the pots with holy water of mercy. It is commendable that such initiatives are being taken by the students to spread the showers of care & concern for their fellow beings.

TUBERCULOSIS WARENESS PROGRAMME 2022

World TB Day is observed on March 24 each year to raise public awareness and understanding about one of the world's deadliest infectious killers - TB and its devastating health, social and economic impact on people around the world. March 24 marks the day in 1882 when Dr Robert Koch announced that he had discovered the bacterium that causes TB, which opened the way towards diagnosing and curing this disease.

Department of community health Nursing conducted program on world Tuberculosis day is held on 24 March 2022 in Nehru College Of Nursing Multipurpose Hall with the Theme: Invest to end TB -Save lives ,in presence of B.Sc. 1st year, 2nd year 3rd year and 4th year students .The program was hosted by Zephyres of Nehru College Of Nursing followed by welcome speech by Ms. Aparna A S 4th Year BSc Nursing Student ,theme revealing by Ms. Sangeetha 4th year BSc Nursing student .Poster presentation and Mime competition was conducted based up on the theme to deliver the message regarding Tuberculosis. The programme end with vote of thanks was given by Mss. Aparna S Anilkumar 4th year BSc Nursing Student. Mr. Mohammed Midhlaj and Ms. Jithisha of 4th year BSc nursing students of Nehru College of Nursing participated in the camp conducted by PK Das institute of medical sciences at chalavara.

REPORT OF KALAVARA 2K21" - NUTRITION FEST

Nurses play diverse roles in educating patients about a healthy diet and in promoting healthy eating habits, through their conversations with patients and families and through their work providing enteral and parenteral feeding to critically ill patients. The 9th batch of Nehru college of nursing conducted a nutrition fest" KALAVARA" on 3rd & 4th of Dec 2021 under the guidance & supervision of Ms ANU ELDHOSE Dietician PKDIMS. The programme was aiming at preparation & presentation of the diet of different categories which included normal adult, diabetes mellitus, pregnant women, low fat diet, renal diet, nutrient rich foods. This programme enables the students to acquire knowledge about different types of healthy diet & normal dietary requirement in different conditions.

WORLD ANTI MICROBIAL AWARENESS WEEK 2021

The “World Antimicrobial Awareness Week (WAAW) is celebrated from 18-24 November every year. The 2021 theme, Spread Awareness, Stop Resistance, calls on One Health stakeholders, policymakers, health care providers, and the general public to be Antimicrobial Resistance (AMR) Awareness champions. This day is celebrated annually & aims to increase awareness of global antimicrobial resistance and to encourage best practices among the general public, health workers and policy makers to avoid the further emergence and spread of drug-resistant infections.”

The Department of Community Health Nursing & final year students of Nehru College of Nursing (NCN) had organized the WORLD ANTIMICROBIAL AWARENESS at Community Health Centre, Ambalapara, Palakkad on 25th Nov 2021. The program was started with welcome address and unveiling the theme done by Ms. Zaina Elizabeth Jose, Associate Professor, NCN, Vaniyamkulam. A Role play and awareness program on anti-microbials, its resistance and how to prevent the resistance was done by IV Year BSc. Nursing (2020-2021) batch students. The campaign was adjourned with vote of thanks by Mrs. Rose Jose, Assistant Professor, NCN, Vaniyamkulam. The public who came to administer covid vaccines from CHC, Ambalapara was the beneficiary group of the program and was a great useful for them.

The final year students themselves got aware about the topic. The students improved their teaching skill using different audio visual aids. The audience of the community area, Ambalapara gained knowledge regarding the harmful overuse of antibiotics.

DHVANI 2K21

**An event for engaging, health educating & entertaining the mentally challenged people
at MANOMITHRA INSTITUTE OF MEDICAL SCIENCE**

“Taking on the role of caring for someone with a mental illness is a big commitment. It can be very emotionally and physically demanding, but it can also be a rewarding experience. To give the person caring for the best chance of recovery it is important to find out how to support someone with a mental illness.”

As a part of MENTAL HEALTH NURSING requirement the 3rd year students of Nehru College of Nursing (NCN) had got an opportunity to attend training at MANOMITHRA INSTITUTE OF MEDICAL SCIENCES, Palakkad, one of the nation's leading inpatient psychiatric hospitals. They are dedicated in treating individuals with complex mental illnesses, & equally committed to groom future mental health professionals and advancing mental healthcare through research.

An event “DHVANI” was organized on 12th NOV 2021 for the mental upliftment of the patients of Manomithra who are at the peak of their emotional instability. The programme was aimed for the mental relaxation, entertainment & creating awareness. The programme included fun games, cultural events & health education about alcohol dependence. Whole the patients, staff of Manomithra and 3rd year students of NCN had actively participated in the event. The ZAPHAYERS got a greater appreciation from the staff & management of Manomithra.

The NCN family is highly obliged for the ZAPHAYERS for glorifying the institution by their commendable work. The III year students gained skill and knowledge regarding treating the mentally challenged. The inmates were provided care, entertained and health educated by the students.

REPORT OF VISIT TO POLYGARDEN

Considering as a greater responsibility to give a hand to the vulnerable people in the society , the final year students of NCN had organized a one day programme at "POLYGARDEN" a residential rehabilitation centre governed by the charitable organization directorate of social action at Lakkidi near Ottapalam Town in Palakkad Dt.

The community health department of NCN along with the 4th year students had offered a helping hand at POLYGARDEN aimed with a regular health check up to the inmates & cultural events to provide moments of joy & happiness from the shores of misery. The events were conducted in two days on 31st Oct & 9th of Nov 2021. The students didn't forget to give a charity benefit by representing the college which will be very helpful to the residence. NCN family grateful to the soul sparkers for being socially committed citizens.

NUTRITION FEST

Protecting the helpless in society is not the sole responsibility of a group of people. The angels of the earth, who are at the forefront of taking full responsibility for the health care of the community, need to ensure the social health & care of every vulnerable person in the community. Older people are important members of any society and therefore have the right to live in dignity in later life. A roof over their heads is a critical need of the elder who are destitute, sick and abandoned by family and those uprooted by disasters.

The Department of Community Health Nursing of Nehru College of Nursing (NCN) and the final year students set aside all the hustle and bustle of their study and other emergencies for spending a day with the residents of the ISSAC IMMANUAEAL MISSION old age home THIRUVILWAMALA on 12th November, 2021. The little angels of NCN made them happy with games, laughter, songs and celebrations. Along with that, a nutrition fest was organized for the residents. In that the students have explained to the inmates regarding the importance of diet & the pattern of food they have to consume. The students have also made a delicious chicken Biryani for them. The day was full of joy & happiness both to the inmates & students which will left behind in heart forever. Students also given the nursing care to the inmates.

The final year students came to know the geriatric problems and especially their emotional part. They acknowledged the moral value and emotional stability towards old age community and achieved co-ordination skill to render a service to socio-economic development of a society. The inmates of Issac Immanuel old age home were entertained and cared.

PULSE POLIO IMMUNIZATION AWARENESS CLASS AND ADMINISTRATION OF IMMUNIZATION

The Pulse Polio Initiative was started with an objective of **achieving hundred per cent coverage under Oral Polio Vaccine**. It aimed to immunize children through improved social mobilization, plan mop-up operations in areas where poliovirus has almost disappeared and maintain high level of morale among the public. The Pulse Polio Programme 2022 is to **commence in India from February 27**. The polio drive will be organized, keeping in mind all the COVID-19 specific protocols.

Community Health Nursing Department and NSS unit of Nehru College of Nursing had participated in Pulse Polio immunization programme organized by Family Health Centre Vaniyankulam on 27th Feb 2022. The programme was inaugurated by Vaniyankulam Panchayath president Mr. Gangadharan & Other dignitaries were Dr. Sreehari (Medical Officer Family Health Center Vaniyankulam) Mrs. Indira (Lady health inspector Vaniyankulam FHC,) Mrs. Sindhu (Ward Member Vaniyankulam Panchayath) and other staff of Vaniyankulam FHC. Around 10 students of 2nd year BSc Nursing were part of this programme along with Mrs. Shincy k Lecturer Nehru College of Nursing. Approximately 82 children got vaccinated in this programme in family health center Vaniyankulam.

Affiliated to Kerala University of Health Sciences)

“More than one billion people, or approximately 15 per cent of the world’s population, live with some form of disability; 80 per cent live in developing countries. INTERNATIONAL DAY OF PERSONS WITH DISABILITIES aims to promote the rights and well-being of persons with disabilities in all spheres of society and development, and to increase awareness of the situation of persons with disabilities in every aspect of political, social, economic and cultural life. The theme for IDPD this year is “Leadership and participation of persons with disabilities toward an inclusive, accessible and sustainable post-COVID-19 world.”

To make this day effective & purposeful the 3rd year students of NEHRU COLLEGE OF NURSING (NCN) had done a visit to POLYGARDEN Lakkidi, A resident home for physically & mentally challenged. The students had made the day effective with making the inmates being participated in different games & different cultural events. Students were very keen in making the participation of each inmates of Polygarden. These kind of participations are really beneficial for them to develop their hidden skills & talents. On behalf of NCN family the students had given worthy present to the Institution which will be beneficial for the inmates.

Even though physically & mentally challenged they still have a lot of obvious abilities. By organizing such events & ensuring their participation they can raise their standard as social citizens as much as like other individual in the society which is the focus & theme of the day.

The 3rd year students improved their skill to handle mentally and physically challenged in the community.

HEALTH CAMP

Nehru College of Nursing (NCN) promoted by Nehru Educational and Charitable Trust works with the vision of serving the society by improving the health and quality of life through excellence in Nursing Practice Education Research and Community service. The students of NCN are always keen in serving the society & never miss a chance for serving the people. Here the NSS volunteers of 4th year BSc Nursing Mr. Midhilaj, Ms Angel, Ms Assiya & Ms Diya got a golden opportunity to be a part of the medical camp organized by our parent hospital P K DAS INSTITUTE OF MEDICAL SCIENCES who works with the aim to provide world-class healthcare at the least possible cost. There were two camps organized in the nearby days. On 24th March 2022 the camp was at CHALAVARA. On 26th March 2022, it was at LAKKIDI, around 1000 people from different social levels attended the camp & we were able to rule out many health crises among them. All of them were provided the best medical service & were referred to PKDIMS for better treatment.

Being one of the best health care institutions in Kerala who mould the best health care professionals it's a greater privilege and pride to be a part of society, showing concern and commitment to the people those who need it at most.

The final year students gained skill in providing nursing care in a medical camp and the public who attended the camp gained free consultation with expertise of P K DAS Institute of Medical Science

REPORT OF COVID 19 VACCINATION CAMPAIGN

The Kerala government on Sep 4th 2021 launched the “Be the warrior” campaign by, state Chief Minister Pinarayi Vijayan to tackle the third wave of the Covid-19 pandemic if it were to arrive. The aim of the campaign was to reduce the severity of the third wave and also to speed up the vaccination. While this proves the effectiveness of the preventive measures adopted by the State, this further points towards the need to accelerate the vaccination process and achieve universal coverage among the eligible population within the shortest time.”

The students of Nehru College of nursing had got a relevant chance to be a part of the “BE THE WARRIOR” campaign by the state Govt of Kerala. The 4th year & 2nd year B.Sc. Nursing students during their Community Health Nursing posting played a part in the vaccination campaign organized by the Family Health Care Centre Vaniyamkulam & Community Health Centre, Ambalapara as well as the camps conducted at the local centres under them. The students who worked at the vaccination centres along with the staff, participated in all the activities there and made the people aware of the need for COVID vaccination

This event is NCN student’s proud moments being able to participate in such activities of the Govt. which is effective in eradicating the COVID pandemic

AWARENESS CAMPAIGN ON WORLD HEALTH DAY 2022

The World Health Day is celebrated every year to raise awareness about the on-going health issues that concerns people across the world. The day is also used as an opportunity to spread awareness about the overall health & well-being of people. In the midst of a pandemic, a polluted planet, increasing diseases like cancer, asthma, heart disease, on World Health Day 2022, WHO focus global attention on urgent actions needed to keep humans and the planet healthy and foster a movement to create societies focused on well-being. The theme for this year's World Health Day is "Our Planet, Our Health".

The first year students of Nehru College of Nursing (NCN) had got an golden opportunity to be a part of the awareness campaign organized by our parent hospital P K DAS INSTITUTE OF MEDICAL SCIENCES (PKDIMS) on 7th April 2022. The official inauguration of the campaign was done by our honourable Chairman & Managing Trustee Adv Dr. P Krishnadas at PKDIMS. Dr R C Krishnakumar, Director Operations PKDIMS had done the flag off of the campaign. It was a three day campaign planned to cover the major town areas in Palakkad District & NCN buds had given their contribution on the first day of the campaign . It comprised of a flash mob conducted by the first year students of NCN and distribution of pamphlet regarding world health day. The health care packages and facilities that are provided in PKDAS Hospital are explained. On that day the campaign was conducted at major areas of Ottappalam block such as Cherplassery ,Vallappuzha , Koppam , Pattambi, Kulappulli, Shornur and Ottappalam.

Being the health professionals in future, it was a great opportunity for the First year students to be a part of such a big campaign. The public came to know the importance of health for their well being and also the health care facilities available in P K DAS INSTITUTE OF MEDICAL SCIENCES.

WORLD BREAST FEEDING WEEK

World breast feeding day was celebrated on 4/08/2021 at Family Health Centre, Vaniyamkulam by IV year B.Sc Nursing Students. The program was started by a prayer song. The gathering was welcomed by Mrs. Aswani. B. Assistant professor, Child Health Nursing and presidential address was given by Mr Suresh Thambi Health Inspector FHC Vaniyamkulam. The Programme was Inaugurated by Dr Jubina Fasal. Felicitation was given by Mrs. Indira LHI.

Then Health Education program was given on the topic about Importance of exclusive and expressed breast feeding, Preparation for Breast feeding Diet to be followed during Breast feeding, types of breast milk, positions during giving feeding, after care of baby. These session was delivered by Mr.Ashique, Ms. Anjana Jolly and Ms. Angel Thomas. People came for OPD sessions and immunization at the PHC had attended the sessions. Vote of Thanks was given by Mrs. Shincy. K, Lecturer, Community health Nursing.

This kinds of awareness programmes helps the mothers to acquire desirable knowledge regarding breast feeding and improve the health of babies, thus by we can build healthy Community.

The final year students improved their teaching skill as well as their co-ordinating skill.

ABSTRACT

The present study to evaluate the effect of planned teaching programme on knowledge regarding end of life care among student nurses in selecting college of Palakkad.

Objectives: Asses the knowledge scores of student nurses regarding end of life care. And evaluate effectiveness of planned teaching programme in the end of care.

Methodology: A Quantitative evaluative approach was adopted for the study. Quasi experimental pre test and post test design was used. Data was collected from 50 samples in 2nd year BSc.Nursing students in Nehru College of Nursing, Palakkad. The pilot study was conducted among 5 samples to determine the feasibility of the study. The data was analyzed and interpreted using inferential statistics.

Result and interpretation: The study showed that in the pre test ,poor (0-6)26% ,Average (7-13)72% and Good (14-20) 2% and in the post test Poor (0-6)0% Average (7-13)70% and Good (14-20)30%.The t-test value is 9.47 and the tabulated values is 0.703. Hence calculated value greater than table value, we reject H₀ and accept H₁.

Conclusion: The study has assessed to evaluate the effect of planned teaching programme on knowledge regarding end of life care among student nurses in selected college of Palakkad. The following conclusion were made based on findings of study. In the post test the results were improved than the pre test. The values regarding post test includes Poor(0-6)0%, Average (7-13)70%, and Good(14-20)30%.

ABSTRACT

A descriptive study to assess the knowledge regarding usage of face mask for the prevention of covid-19 among mothers of school children (6-11 years) at selected areas of Palakkad.

Method: Quantitative approach was used and study design was descriptive study design. 80 samples were selected using non probability convenient sampling technique. Data was collected using demographic variables and structured online questionnaire to assess the knowledge regarding usage of face mask among mothers of school children (6-11 yrs). The data was analyzed and interpreted using descriptive and inferential statistics.

Result: As we have assessed the level of knowledge regarding usage of face-mask among mothers of school children (6-11 years), about 62 samples have adequate knowledge (77.5%) and 18 have moderate knowledge (22.5%).

Association between levels of knowledge regarding usage of face-mask among mothers of school children (6-11 years) and their selected demographic variables.

There was association between level of knowledge regarding usage of face-mask among mothers of school children and selected demographic variables such as age, education, type of family, Idea regarding the usage of face-mask and sources of information regarding usage of face-mask.

Conclusion: The result obtained from the analysis found that mothers of school children (6-11 years) in the selected area of Palakkad have knowledge regarding usage of face-mask for the prevention of covid-19

ABSTRACT

Background of the study

Zika is a flavivirus. There is currently no vaccine for Zika, but it is not usually a life-threatening condition. In fact, the vast majority of people with Zika have no symptoms at all.

However, there are 2 uncommon, but severe, complications that are important to note. If you have contracted Zika, you have a significantly increased chance of having these issues: Infected pregnant women may transmit Zika to their babies, resulting in a number of serious birth defects that are directly linked to Zika. By educating the younger generation about Zika virus, we can reduce the maternal mortality rate, since Zika virus is affecting the pregnant women.

Statement of the problem

Effectiveness of structured teaching programme on knowledge about Zika virus infection among college students in a selected college at Palakkad District

Objectives of the study

- 1.To assess the knowledge about Zika virus infection among college students
- 2.To assess the effectiveness of structured teaching programme on knowledge about Zika virus infection among college students
- 3.To find out the association between pre test knowledge about Zika virus infection among college students with their selected demographic variables

Method

PRINCIPAL
P K DAS COLLEGE OF NURSING
PANAYUR (P.O), VANIYAMKULAM
OTTAPALAM, PALAKKAD DT
KERALA - 679 22

The design used in this study is One group pretest post test pre-experimental research design. The study was conducted on 19th November 2021 and 5th December 2021 by using a semistructured knowledge questionnaire. Total 50 college students were selected by convenient sampling. Study conducted among first year B.Sc Nursing students of Nehru College of Nursing, Vaniyankulam, Ottapalam, Palakkad District. The collected data was analyzed by using descriptive and inferential statistics.

Result

The mean post test knowledge score obtained ($O_2= 15.64$) (78.2%) was higher than the mean pretest knowledge score ($O_1=9.43$) (46.7%), paired 't' test was used to find out the significant differences between the mean pretest and post test knowledge score. The calculated t value (15.27) was found to be significant at 0.05 level. This showed that structured teaching programme was effective in increasing the knowledge of college students regarding Zika virus infection . The all X^2 values reveals that there was no association between pre test knowledge score of college students with the demographical variables..

Interpretation and Conclusion

The findings of the study would help the nurses to develop an insight into the importance of health education regarding Zika virus infection and its various aspects. .

Key words: Zika virus, college students, structured teaching programme

ANTI-RAGGING CAMPAIGN

*Humanity
value
develop
202-23*

“Ragging is a disturbing reality in the higher education system of our country. Despite the fact that over the years ragging has claimed hundreds of innocent lives and has ruined careers of thousands of bright students, the practice is still perceived by many as a way of ‘familiarization’ and an ‘initiation into the real world’ for young college-going students. As ragging has become a menace, a cause of fear and shock for fresher’s in the country, it led to new laws that curb ragging. The 'Anti-Ragging' Awareness Programme' aimed at making students aware of the laws of the country with respect to ragging and how it affects the lives of people victimized by it.”

The 10th batch (2021-2025) academic session was started on 9th March 2022. Anti-ragging campaign for all the students of Nehru College of Nursing, Vaniyamkulam was organized on 18th March 2022 at college Auditorium. The campaign was started at 9 am with a silent prayer & welcome address by Dr. Kavitha mole P J, Principal NCN. The resource person was Dr. Krishnamoorthy S, Professor & Vice Principal Nehru Law Academy Lakkidi. The session explained about ragging & it’s consequences & legal aspect. The 1st year students were given detail information about ragging, ant ragging committee, anti ragging squad & their contact numbers. The campaign could generate awareness on ant ragging measures. The programme adjourned by 1pm by the vote of thanks by Mrs. Jincy Eliyas Asst Professor & 1st year class Coordinator.

COURSE CONTENT

Introduction

A person who is offered a quality education is able to serve the region, the state and the nation through resourceful educational programmes. A quality based education consequently helps in upgrading the individual's growth which in turn endorses the growth of the nation. It offers Quality Education to create a personal paradigm, devoted to master the life skills required for success.

All human beings, need to understand harmony in themselves, harmony with others and harmony with rest of the nature. There is an interconnectedness, self regulation and harmony at all levels of existence and this needs to be identified by each individual. Human beings governed mainly by their pre- conditionings and sensory experiences and are generally very hesitant to analyze them. However, once a break through is achieved, the subsequent journey is very smooth and pleasant.

Values are our guidelines for our success - our paradigm about what is acceptable. Human behavior depends on the characters defining the identity, choosing the values and establishing the beliefs. Ethics is an activity which concerns with the investigation of moral values in moral issues.

"Human value and professional ethics" enlighten the students with the fact that right understanding about oneself and rest of the existence and living in accordance with this understanding is essential for sustained human happiness and propriety.

Title of course:

Human values and professional ethics – for BSc nursing students

Vision

To provide value based premier quality education with a nurturing and collaborative environment to a real-world innovations and future-ready solutions benefitting the community, nation and the world.

G. S. H. M.
PRINCIPAL
P K DAS COLLEGE OF NURSING
PANAYUR (P.O), VANIYANKULAM

REPORT OF INTERNATIONAL WEBINAR ON MENTAL HEALTH IN AN UNEQUAL WORLD

Nehru College of Nursing organized International webinar on World Mental Health Day, on 11 October 2021 through virtual platform for the student nurses, nurses and faculty member from India and abroad. The webinar was attended by 256 delegates.

Mrs. Anu Sweena Thomas, Associate Professor, Department of Mental Health Nursing presented the welcome address and welcome all the guest, speakers and participants and expressed the sincere honour to have such a programme during the pandemic.

Mrs. Sumitha Krishnadas, Management Representative has given the presidential address. Followed by inaugural address by Dr R C Krishnakumar, Director Operations PKDIMS. The webinar had two enlightening sessions First session on "The Impact of Covid-19 Pandemic on Mental Health of students and measures to tackle It" by Mr. Saneesh A Thomas, Mental Health Nurse, Hamad Medical Corporation, Qatar. And Second session on the current theme, "Mental Health in an Unequal World". Participants expressed that the sessions were informative, beneficial and webinar was well organized. The programme was concluded with a vote of thanks proposed by Mrs. Milka Oppen, lecturer, Mental Health Nursing Department, Nehru College of Nursing.

REPORT OF NATIONAL WEBINAR ON UNITED FOR DIGNITY

World Leprosy Day is observed globally on the last Sunday of January every year. In 2022, the World Leprosy Day falls on January 30, 2022. In India, World Leprosy Day is celebrated every year on 30 January, the anniversary of Mahatma Gandhi's death. The theme for 2022 is 'United for Dignity' to honour the people living with leprosy by sharing their empowering stories and advocating for them to live a dignified life free from disease-related.

Third year , fourth year & outgoing batch of NEHRU COLLEGE OF NURSING VANIYAMKULAM had got a tremendous opportunity to attend the National webinar on " UNITED FOR DIGNITY " organized by NEHRU COLLEGE OF NURSING & RESEARCH INSTITUTE , NEHRU GARDENS , THIRUMALAYAMPALAYAM, COINATORE on 31st Jan 2022 10 am . The programme started with the welcome address by Dr. C . Fuela Esther (Principal NCNRI, Coimbatore). The workshop had four sessions. The workshop aims to keep leprosy from slipping from view amid the COVID pandemic and ensure that the needs of those affected by the disease are not neglected. Together we can lift up every voice and honour the experiences of people who have experienced leprosy. The workshop concluded with the vote of thanks by Dr. Kavitha Mole P J Principal Nehru College of nursing Vaniyamkulam, Kerala

REPORT OF INTERNATIONAL CONFERENCE ON ONCOLOGY NURSING –
ICON 2022

Nehru College of Nursing always takes new initiatives to enlighten the students and different professionals in the health care system to keep updated about the current trends and possibilities in the field of health. Taking professional advancement as the main objective NCN had organized an international webinar on “REALISE THE PROGRESS IN CANCER CARE” on “3rd Feb. 2022at 2pm. The webinar was a package of four insightful sessions. The initial session was unfolding the theme by Dr. R C Krishnakumar, (Director operations PKDIMS) Second session discussed about Perspectives of Cancer care during COVID - 19 the session was carried out by Mr. Binoy Ittyavira Ellappunkal, (Clinical Nurse Specialist Department of oncology Nursing Sunnybank Pvt. Hospital, Queensland, Australia). Third session on the Scope of Nurse led clinic in oncology was taken by Dr. Binu Babu (Associate Professor, NCN). The final session was handled by Dr. Muhammed Abdul Malik Manzar (Consultant, Department of Oncology PKDIMS). Staff nurses and nursing students from different reputed institutions both national and international level had attended these sessions. The webinar was a way to get introduced to new possibilities of cancer treatment and to motivate each and every health worker to provide a variety of treatment facilities to the patients in a most useful way

REPORT OF SEMINAR ON POLYSYSTIC OVARIAN SYNDROME

Healthy lifestyle and adequate reproductive health knowledge are prerequisites for maintenance of physical and mental well-being of women across the world. With increasing prevalence of metabolic disorders such as polycystic ovary syndrome (PCOS), it is important that sufficient awareness of these issues is generated. PCOS is a common disorder characterized by irregular menstrual periods, disruption of normal metabolism and elevated testosterone levels. PCOS affects up to 10% of all women of reproductive age. Public awareness of PCOS is necessary because over half of the 10,000,000 people that have it, are unaware of it. Awareness helps the public understand that symptoms like irregular periods and pelvic pain are not something to be ignored and getting it checked is necessary. The soul sparkers of NCN taken this as a mission to enlighten the upcoming leading nurses in the health sector about one of the growing metabolic disorder in today's world , They have organised a seminar in online platform on 30th October 2021 at 2 pm . Dr.Haritha C (Assistant professor, PKDAS INSTITUTE OF MEDICAL SCIENCES) designated as the resource person of the session. Whole staff & students of NCN had attended this session. The class was mean to increase self – awareness as well as to enlighten patients who approaches them.

NATIONAL WORKSHOP ON BIO STATISTICS

The ways in which nurses were educated during the 20th century are no longer adequate for dealing with the realities of health care in the 21st century. As patient needs and care environments have become more complex, nurses need to attain requisite competencies to deliver high-quality care. Continuing Nursing Education within the Nursing Practice Environment is important in determining issues associated with unsafe practice, unproductiveness or incompetent nurses. Biostatisticians play a key role in the public health landscape, allowing scientists to support decisions made about patient care and better focus medical research, and to make sense of all of that available data.

With the aim of helping nurses to apply the most current and up-to-date research and evidence to patient care delivery, Nehru College of Nursing Vaniyamkulam & Nehru College of Nursing & Research institute Coimbatore organized A workshop on " BIO STATISTICS " on 25th & 26th April 2022. Mrs. Sumitha Krishnadas Management representative NGI had done the inauguration of the programme. The sessions covered the most relevant areas in research & statistics. The resource persons for the workshop were Dr. Fuela Esther Thangam R N, Ph.D Principal, Nehru College of Nursing and Research Institute, Coimbatore, Mrs. J Kezia Angeline RN, Bio-Statistician St. Johns Medical College Research Institute, Bangalore, Dr. Balasubramaniyan Krishnan Professor (Rtd), Bio-Statistics Aquatic Biology & Fisheries Kerala University, Dr. G. K Sellakumar, Associate Professor & HoD, Dept. of Psychology Sree Narayana Guru College, Dr. Sylvia Jayakumar Bio-Statistician, Chennai Research Consultancy, Chennai. & Mrs. Krishnaveni R Assistant Professor, AIIMS, Patna. Hundreds of teachers and students from various leading nursing colleges in Kerala and throughout the nation had participated in the workshop online and offline. These kinds of programs provide challenging curricula to assist healthcare professionals to raise their levels of expertise while fulfilling their continuing education requirements, thereby improving the quality of healthcare & research activities

WORKSHOP ON RESEARCH EXCELLENCE

Research is creative and systematic work undertaken to increase the stock of knowledge. It involves collection, organization and analysis of evidence to increase understanding of a topic characterized by a particular attentiveness to control the sources of bias and errors. It creates a path for generating new questions.

Nehru College of Nursing conducted a workshop on research excellence on January 28, 2022. The session started by an inaugural ceremony at 9 am. The session dealt with 3 eminent personalities. Initially, Prof. Dr. Binu Babu, HOD Medical Surgical Nursing, Nehru College of Nursing delivered a talk on exploration of research areas in Nursing. The topic "guidelines for perusing PhD" was dealt by Prof. Kavitha mole P J, Principal, Nehru College of Nursing and Dr. V Subramania Bharathi, Director, administration and accreditation NGI covered research excellence. 60 students and faculties participated in the workshop. One of the students delivered vote of thanks to the resource persons and to all the participants.

WORKSHOP ON RESEARCH EXCELLENCE

DATE : 28 JANUARY 2022

Dr Subramania Bharati

Having two decades of teaching experience and more than seven years of administrative experience I am in a position to look after quality education management. Apart from this I get involved in training in Leadership, Public Speaking, Stress Management, Public Relationship, Creativity & Innovation etc.,

He worked as director in Lord's Institute Of Engineering And Technology, Hyderabad for four years and in Nehru Group of Institutions, Kerala for 2 years. Now he is working as professor in Swarnandhra College of Engineering and Technology, Narasapur.

Dr.V.Subramania Bharathi has got 36 years of teaching experience which includes 8 years of Principal Experience in eminent Engineering Colleges in Tamil Nadu and 3 years of Research also. He has been the instrumental in getting Autonomous Status/NBA Accreditation/NAAC Accreditation for various colleges. He obtained his Bachelor's Degree in Civil Engineering from Government College of Engineering, Thirunelveli, Master's in Structural Engineering from Thiyagarajar College of Engineering, Madurai and Doctorate from Anna University, Chennai. He is having 25 National as well as International Journals and Conference papers for his credit. He has written a book on 'Selfcompacting Concrete' which was published in Lambert Academic Publishers, Germany in 2010. He received 'Rashtriya Vidhya Saraswathi Puraskar' Award from International Institute of Education and management, New Delhi for outstanding achievements and remarkable role in the field of education during 2010. He is the national trainer for Interpersonal Skills, Time Management, Stress Management, Success Strategy, Effective Public Speaking and Leadership Traits. He is the active life member of Indian Institution of Engineers, Indian Concrete Institute and Indian Society for Technical Education.

REPORT OF WORKSHOP ON RATIONAL USE OF OXYGEN ADMINISTRATION – NURSING PERSPECTIVE

An online National Training Workshop under Ministry of Health and Family Welfare is being organized on 27th Jan 2022 at 2.30 pm to 5 pm on Webex platform by Indian Nursing Council in association with AIIMS New Delhi with the aim to provide standardized information on nursing perspective of oxygen administration to avoid wastage of medical oxygen.

The fourth year B.Sc nursing students participated in the workshop. The workshop started with welcome address by Prof. Dr. Latha Venkatesan, Principal, college of nursing, AIIMS New Delhi. The vision and overview of the capacity building initiative was done by Ms. V Hekali. Zhimoni, Joint Secretary, Nursing, MoHFW. The inaugural address is given by Dr. Randeep Guleria, Director, AIIMS New Delhi.

Different aspects of oxygen therapy were discussed in sessions. The Oxygen therapy in Covid- 19 was delt by Dr. Rakesh Lodha, Professor, Deptt. Of Pediatrics, AIIMS New Delhi; Oxygen Monitoring: identification of danger signs by Dr. Rakesh Garg, Additional Professor, Deptt. of Anesthesiology, AIIMS New Delhi; Oxygen audit: emergency oxygen therapy, Oxygen conservation, Prevention of hypoxemia by Dr. Sanjeev Bhoi, Professor, Emergency Medicine, AIIMS, New Delhi and Ms. Sonia Chauhan, Senior Nursing Officer J.P.N. Apex Trauma centre, AIIMS, New Delhi; Oxygen therapy for adults by Dr. Kapil Dev Soni, Additional Professor, Deptt. of Critical Care, AIIMS, New Delhi; Oxygen therapy for neonates and children by Dr. Sushil Kabra, HOD, Pediatric Pulmonology, AIIMS, New Delhi and Dr. Anu Sachdeva, Assistant Professor, Deptt. Of Neonatology, AIIMS, New Delhi and Nursing considerations in rational use of oxygen by Ms. Aditi Prashant Sinha, Associate Professor, College of Nursing, AIIMS New Delhi and Ms. Ambili Venugopal Nursing Officer, AIIMS, New Delhi. A Panel Discussion was conducted on cleaning/disinfection/sterilization of oxygen delivery devices at the end of all sessions. The workshop adjourned at 5 pm. A feedback was collected from the students. The workshop was very informative and the video demonstration grabbed the interest and enlightened the students.

REPORT OF FIRE & SAFETY RESCUE TRAINING

Nehru College of nursing is always determined in providing informative & effective training programmes to our students other than the syllabus which will be really beneficial for their professional development. In the banner of NSS unit of NCN an excellent Fire & Safety training session was provided to the 1st year BSc Nursing students on Aug 11th (theory) & 26th (practical) 2021. The aim offers the students with a realistic experience to equip with all the basic skills and knowledge required in the event of a fire in hospital & how to evacuate the casualties. Fire & Safety Officer of our parent hospital PKDIMS, Mr RAHUL had contributed an excellent theory & practical sessions for the students. These kinds of trainings really enable the students to work effectively in the face of any adversity.

SEMINAR on

INTRODUCTION TO INTELLECTUAL PROPERTY RIGHTS

Innovation, creativity and branding represent a large amount of the value that changes hands in international trade today. The WTO's Agreement on Trade-Related Aspects of Intellectual Property Rights (TRIPS), negotiated during the 1986-94 Uruguay Round, introduced intellectual property rules into the multilateral trading system for the first time. World Trade Organization has created a concept of Intellectual Property Rights to give rights to persons over their creations of their mind.

Nehru College of Nursing conducted a seminar session on INTRODUCTION TO INTELLECTUAL PROPERTY RIGHT on 14th March 2022. The session was addressed by Mrs. Sumitha Krishnadas, Management Representative, Nehru Group of Institutions. The seminar was handled by Dr. Kavitha Chalakkal, Assistant Professor, Inter University Centre for IPR Studies (IUCIPRS), CUSAT. The session was very useful for the attenders to gain an idea to register for the patency personally or for an institution for their own creations. Concluded the programme conveying the vote of thanks by Ms. Zaina Elizabeth Jose, Associate Professor, Nehru College of Nursing.

Biography

Dr Kavitha Chalakkal is currently an Assistant Professor in Inter University Centre for IPR Studies, CUSAT. She had worked formally as Assistant Director (Research) and Assistant Professor (Senior Grade) in Lloyd Law College. She has an experience of more than 8 years in academics and in national and international non-governmental sector. Dr Chalakkal received her PhD (2014) in International Environmental Law from the Jawaharlal Nehru University, New Delhi, after completing her L.L.M. in Intellectual Property and Environmental Law (2006; Cochin University of Science and Technology, Kerala) and M.Phil. in Public International Law (2008; Jawaharlal Nehru University). She received her bachelor's degree (L.L.B.) from Kerala University in 2003. Before starting her career in academics, Dr Chalakkal worked with various non-government organizations. Dr Chalakkal has also developed study modules (2016) for Post-Graduate Courses for the e-Pathshala project of the Ministry of Human Resources Development, Government of India. Dr. Chalakkal has many publications and presented papers in various international and national conferences. She has also won best paper and presenter awards in two international conferences. She is a member of the World Commission on Protected Areas and World Commission on Environmental Law, International Union for Conservation of Nature (IUCN).

Dr Chalakkal was the Fox Foundation Fellow (2009-10), Yale University, USA and is also a Research Fellow (2018), China-South Asia Legal Research Center, China Law Society.

Subject: REQUEST FOR CONDUCT OF IPR SESSION - REGARDING
To: <ciprs@cusat.ac.in>
Cc: <rosejosepottakkal86@gmail.com>

Respected Sir/ Madam,

Greetings from Nehru College of Nursing, Vaniyamkulam !!!

May I request your kind honour to arrange to conduct an introductory session regarding IPR at Nehru College of Nursing. Convenient date and schedule may please be intimated for the session for our action.

Kindly do the needful.

Thanking you.

Yours Truly,

Prof. Dr. Kavitha Mole P J
Principal,
Nehru College of Nursing,

Respected Ma'am,

Greetings from IUCIPRS, CUSAT!

I am Dr. Kavitha Chalakkal, Assistant Professor, Inter University Center for IPR Studies, CUSAT.

I am writing this mail as per the instructions of Dr. M. Bhasi, Director, IUCIPRS, CUSAT, with regard to your mail regarding the conduct of a session on 'Introduction to IPR' at your institute, Nehru College of Nursing, Vaniyamkulam. I have been assigned by Sir to take this session at your institute and I would like to request you to kindly let me know further details regarding a convenient date and time.

Looking forward to hearing from you,

Thanking you,
Best Regards,

Kavitha

INTELLECTUAL PROPERTY RIGHTS

“Institution innovative council is to promote innovation in the Institution through multitudinous modes leading to an innovation promotion eco-system in the campuses. Intellectual property rights are legal and institutional devices to protect creations of the mind such as inventions, works of art and literature, and designs. There is a growing interest in nursing in designing professional practice models that "work," that is, models that promote benefit both to nurses and to the clients they serve. The concept of institutional innovations, is an idea which is not restrictive to private practice, it opens opportunities in all the institutions including nursing colleges that will benefit patients, hospital administrators, physicians, and nurses.

” Nehru college of Nursing always makes chances for the students to explore more in their field of interest along with the academics. To build up more Entrepreneurs from the field of Nursing , & to make the students aware about IIC & IPR the I P R cell of NCN organized an introductory session on about "Intellectual property rights" on 27th April 2022 at 2.30 pm for the 1st year BSc Nursing students in the campus auditorium. Mrs. Anusweena Thomas welcomed the gathering & our beloved principal Dr. Kavitha mole P J had done the theme opening. Mrs Rose Jose Asst professor NCN was leading the talk on intellectual property rights. Ms. Zaina Elizabeth Jose Asso professor NCN expressed the token of gratitude. The innovative ideas developing ability is not strictly innate, but may be enhanced by experience and education like this sessions. Nursing is moving into an exciting time, one in which the opportunities for innovation and satisfaction for both nurses and clients are rapidly expanding
