REPORT ON READING DAY CELEBRATION 2022

"READ AND GROW"

National Reading Day is celebrated to spread awareness among the young generation about the importance of reading. The habit of reading should be developed in everyone because reading not only increases our knowledge but also makes the individual pacific, concentrated and patient. National Reading Day is also known as **Vaayanaadinam** and this name has been given by the Government of Kerala. **To honor life and works of late P.N.Panicker, the father of India's Library Movement in** India, National Reading Day is observed every year on the **19th of June.**

The Department of Library, Nehru College of Nursing, and Vaniyamkulam took initiative to conduct essay writing competition and was conducted on 20th June 2022. The programme was hosted by Mrs. Savitha. S, Asst. Librarian NCN Library delivered the welcome address and the theme of the programme. Dr. Kavitha Mole P J, Principal inaugurated the programme by providing informative awareness about reading in young generations and its importance. Essay writing competition in English & Malayalam was conducted based upon the theme to deliver message regarding "Reading". The programme started at 10.00 am English essay writing (10.30am-11.30am) & Malayalam Essay writing (11.30am - 12.30pm) and the programme adjourned by 12.30 pm.

***The winner of essay writing competition English*:**

1st Prize	Blessy Biju	(SECOND YEAR Batch 2020-2024)
2nd Prize	Sivalaya Sagar	(FIRST YEAR Batch 2021-2025)
3rd Prize	Sangeetha PD	(FOURTH YEAR Batch 2018-2022)

The winner of essay writing competition Malayalam:

1st Prize	Vishnu K	(FOURTH YEAR Batch 2018-2022)
2nd Prize	Devika R J	(THIRD YEAR Batch 2019-2023)
2nd Prize	Aiswarya V	(FIRST YEAR Batch2021-2025)
3rd Prize	Anjana T S	(SECOND YEAR Batch 2020-2024)

NATURE TO NATURE

WORLD ENVIRONMENTAL DAY 2022

Sustainability and the protection of the environment are without a doubt among the most pressing issues we face in the world today. The core necessities of life all come from Mother Nature and, unfortunately, we take it for granted. World Environment Day encourages everyone from individuals to large-scale corporations to be more conscious of their impact on the environment. The theme for this year's celebration of World Environment Day is **'Only One Earth.**

With regards to World environmental day 2022 Nehru college of nursing in association with OUSHADHI , Kuttanallur organized planting a herbal garden in the campus. The official inauguration & handing over of the saplings was done by Dr. Praseetha specialist Medical Officer, Ayushgram On 7th June 2022. Dr Kavitha mole P J Principal NCN addressed the gathering made the students aware about the importance of protecting the nature & planting trees . Mrs Zaina Elisebath expressed the token of gratitude. This kind of events makes the students aware that protecting our environment is the foundation for sustaining our planet, community and economy & as the upcoming citizens it is one of their primary responsibilities.

NUTRITION FEST

It is very well known that Nutrition plays a very important role in our life – from the time a child is born in the womb and it continues even after birth.Food has major role in promoting health. Nurses promote healthy nutrition to prevent disease, assist patients to recover from illness and surgery, and teach patients how to optimally manage chronic illness with healthy food choices. It is important that nurses understand proper nutrition as it relates to recovery as well. Proper nutrition is not only important for preventing disease, it is also crucial to the recovery process.

As a part of Nutrition & Dietetics practicals The KRENOVENTS 2nd Sem BSc Nursing students of Nehru College of Nursing conducted two days Nutrition fest under the guidance & supervision of Ms Anu Eldhose (Dietitian, P K Das Hospital) on 13th & 14th Dec 2022 with the aim of making nursing students aware about the importance of nutrition and Dietetics. The program was mainly focusing on certain diets like Diabetic , Renal ,low fat , pregnancy, Adult sedentary man & women. Along with this special focus was given to Potassium, calcium , iron , protein,folic acid & vit C rich diet. The event was officially inaugurated by our principal Dr Kavithamole P J & our vice principal Prof Priya Mary Stella. All the students in the S2 batch had given outstanding effort & prepared delicious dishes & presented their clinical significance. All the teaching & non teaching staffs of NCN took part in the event & were overwhelmed by the taste of the healthy food prepared by the students.This event was a lesson for the students as they went through a great experience in preparation of healthy food & this really made them aware about its importance.

25th April 2023

SEMINAR ON WORLD MALARIA DAY 2023

"According to the World Health Organization (WHO), in 2020, there were an estimated 241 million malaria cases worldwide, leading to approximately 627,000 deaths, with the majority of the cases and deaths occurring in sub-Saharan Africa. The theme for World Malaria Day 2023 is "Reaching the Zero Malaria Target". The theme aims to mobilize communities, governments, and partners to accelerate efforts towards the WHO's global technical strategy for malaria 2016-2030, which aims to reduce malaria cases and deaths by at least 90% by 2030."

The community health department of Nehru College of nursing had organized a seminar on 25th April 2023 at NCN auditorium with regards to WORLD MALARIA DAY 2023. Prof. Zaina Elizabeth Jose (CHN Dept NCN) welcomed the gathering. Following this an awareness class on Malaria was handled by Mr Nowfel (Asst Prof CHN Dept NCN) All the 3rd SEM students were attended the seminar. These kinds of well informative & insightful sessions really help the students to gain more knowledge. The event concluded with a token of gratitude by Mrs Rose Jose (Asst Prof CHN Dept NCN).

8/5/23

WORLD THALASSEMIA DAY 2023

On behalf of world thalassemia day semester III Bsc nursing students conducted a seminar on the topic "Thalassemia, to give awareness and knowledge about the disease condition to the nursing students. This year the theme of world thalassemia day is 'strengthening education to Bridge the Thalassemia Care Gap'. It is an open call to work with global communities in raising awareness about Thalassemia and its possible treatment options. The programme conducted at NCN auditorium on 8/5/23.The dignitaries on the dice were Dr. Binu Babu(Associate professor, Medical surgical nursing, Nehru college of nursing)Mrs Jincy Ealias , Associate professor, Medical surgical nursing, Nehru college of nursing)Mrs.Sruthi M(Lecturer, Nehru college of nursing)Mrs Lekshmi Devi(Lecturer, Nehru college of nursing),Ms. Meena (Lecturer, Nehru college of nursing). In this seminar students discussed about the definition, types, signs and symptoms, pathophysiology, Etiology, risk factors, diagnostic evaluation, management and health education, prevention by using attractive audio visual aids. Here students done a great job this seminar was effective to all peer group as well as other groups.

MAY 24 2023

WORLD SCHIZOPHRENIA DAY 2023

Cases with descriptions associated with schizophrenics began to be recorded in the 17,00s; the disease has been around since early civilization. This disorder affects about 3/1000 individuals. It is more common in men, and in terms of age of onset, men tend to be younger by an average of about five years than women when they develop schizophrenia. Schizophrenia is a mental disorder characterized by persistent psychotic symptoms.

As a part of this special day, Psychiatric Guild Palakkad and Manomithra Psychiatric Care and Counselling Centre Palakkad jointly conducted a motivational seminar in Golden hall of Joby's mall, Palakkad on 24/05/2023 from 9.30 am to 12.30 pm. The program was started with a prayer followed by an inauguration ceremony by lighting lamp, presidential address, felicitation and vote of thanks. Students from different institutions was participated in the seminar. 20 students were participated in the program behalf of Nehru College of Nursing. After the tea break the seminar was started by Mr. Parthasarathi R, consultant psychologist, Manomithra. The topics included are illegal drug use after Covid-19, related suicides and crimes and early detection of such problems and its prevention. The session was very effective and motivational.

WORLD HAND HYGIENE DAY CELEBRATION-2023

Hand hygiene saves millions of lives every year when performed at the right moments during health care delivery. Word hand hygiene day is a global health care event observed on the 5th may every year, intending to unite people worldwide to increase awareness about hand hygiene standards in healthcare facilities, thereby protecting healthcare workers and civilians from infections.

World hand hygiene day 2023 is organized by medical surgical nursing department on 8th May 2023 at NCN auditorium at 4 pm. The program started with welcome speech by Ms. Sivalaya Sagar. III semester B.Sc nursing students conducted a flash mob on importance of hand hygiene followed by a demonstration on steps of hand hygiene. Also a mime was conducted to show the "5 moments of hand hygiene" in a health care setting and revealed the theme of world hand hygiene day 2023 - "Accelerate action together: Save Lives; Clean your hands". The program was concluded by vote of thanks by Ms. Aleesha P Joy. The program could rise an awareness on importance, steps and moments of hand hygiene among students.

20th APRIL 2023

PANEL DISCUSSION ON
HEALTH EQUITY: HEALTH FOR ALL

A panel discussion is a structured conversation that brings together multiple experts or stakeholders to explore a specific topic, share their perspectives, and engage in lively discourse. This format is highly effective in events, as it allows for a variety of viewpoints to be presented, fostering a rich and informative experience for the audience.

Nehru college of Nursing always promotes the best learning experience to the students. With regards to world health day 2023 the Community Health Nursing Department of NCN had conducted a panel discussion Competition on 20th APRIL 2023 on the topic "Health for all" at 10:00 am at NCN auditorium. Ms Sneha K (4thyear BSc Nursig) welcomed the gathering . Dr. Prof. Srinivasan Gandhi ,(Principal of Nehru College of Nursing) inaugurated the event by unveiling the theme of world health Day 2023. Following this Prof. Zaina Elizabeth Jose, (Community health Nursing Dept) gave felicitation to the event.

After the official function, the panel discussion started with 3 groups as participants. Prof. Priya Mary Stella (Vice Principal) ,Prof Ushas Jose(HOD community health nursing department) and Lt. Col. Regina(Asso Prof, HOD OBG Depmt) were the judging panel of the competition. The first group was the outgoing batch students & they discussed about preventive measures of disease The second & third group was from the 4th year students & they discussed about the relation of peace with health & maternity and child health. All the three groups had given their best performance & the competition was very tight. In the heavy competition the first group outgoing batch secured the 1st position. The group moderator was Ms Alousiya and the group members were Ms Annu Rose, Ms Sangeetha, Ms Aparna A S & Mr Vishnu K. The event concluded with the Vote of Thanks by Ms Aleena Thomas (4th year BSc Nursing)

REPORT ON WORLD ASTHMA DAY CELEBRATION-2023

World asthma day is a global healthcare event commemorated every year on first Tuesday in every year to promote awareness of asthma worldwide. Asthma is the most frequent chronic condition among children and adults worldwide. According to WHO 26.2 crore people suffer from asthma, with a mortality count of 4.55 lakh globally. This year the world asthma day theme given by global initiative for asthma is "Asthma care for all". Celebration of world asthma day is to increase global awareness and improve patient care worldwide.

As a part of celebration of world asthma day 2023, department of medical surgical nursing organized programmes on 8th May 2023 at NCN auditorium at 2.30 pm. III semester students conducted a health play based on the theme "asthma care for all" and quiz competition. Students of different batches participated in the quiz competition. Mr. Aadil Rayz, Mr. Abdhul Radheed, Mr. Niranjan L Govind and Mr. Kailas won the first prize in the quiz competition and the winners are awarded by Dr. Binu Babu, Professor, NCN. The program was concluded by vote of thanks by Ms. Aleesha P Joy. The program could raise awareness on asthma care and encouraged a collaborative management measures for asthma patients among students.

29th April 2023

WORLD IMMUNIZATION WEEK 2023

24 to 30 April is World Immunization Week. World Immunization Week, celebrated, aims to highlight the collective action needed and to promote the use of vaccines to protect people of all ages against disease. Through its convening power, WHO works with countries across the globe to raise awareness of the value of vaccines and immunization and ensures that governments obtain the necessary guidance and technical support to implement high quality immunization programmes. The ultimate goal of World Immunization Week is for more people and their communities to be protected from vaccine-preventable diseases.

Nehru college of nursing had organized a **QUIZ competition** on **29th April 2023 10.30 am** at IV Year Bsc nursing classroom in accordance with World Immunization Week. The program was organized by Department of Paediatric Nursing, Nehru College of nursing and the participants were IV year Bsc nursing students. Students were divided into 6 groups of 10 students in each group. There were 2 rounds that include a general round and an audio visual round. Questions were related to immunization and vaccines. All the students participated actively and Group 5 won the quiz. Dr.Prof.Srinivasan Gandhi, Principal ,Nehru College of Nursing congratulated and distributed prizes to the winners.

As a part of NSS and Community Health Nursing , we conducted an awareness programme regarding peptic ulcer in PKDAS on 22/3/2023 at 10:00 am for outpatients. The awareness programme was inaugurated by Mrs. Priya Mary Stella vice principal of Nehru College of Nursing , the content was presented by Arya , Gopika and Pranav . . A peptic ulcer is a sore on the lining of your stomach, small intestine or esophagus. A peptic ulcer in the stomach is called a gastric ulcer. There were almost 45 people gathered for this awareness programme. We explained in detail about its causes, clinical features, management and prevention with the help of appropriate audio-visual aids. It takes about 30mins . the audience cleared their doubts by raising questions after the session.

As apart of NSS and community nursing, an awareness program was conducted regarding mosquito control measures in selected families in the Akshaya Nagar , Vaniyamkulam. The awareness program was inaugurated by Mrs Rose Jose, Assistant professor of Nehru College of Nursing. The conduct was presented by Achsah N Cherian,Akhila k,Alen cherian, Alousiya Rachel Varkey, Alphonsa George,Amaya S V, Anagha Mohan V,Anagha Sureshkumar, Aneena Joshy,Angel Rose VJ.

Mosquito control measures is easy when you know what to do. Mosquito control measures included biological controls,cultural or physical controls,chemical controls and also personnel protection. This awareness program was given to 10 families.It took about 25 minutes for presentation. Audience cleared their doubts by asking questions after the session.

Awareness program on Prevention of Accidents

As a part of NSS and Community Health Nursing, an "Awareness Program on Prevention of Accidents" was organized in Community Health Centre, Shornur on 18/08/2022 at 10.30 am for outpatients. The awareness program was inaugurated by Mr.Midhun J, PHN. The content was presented by Athira, Charutha, Ayana, Ashna & Assiya

Preventing accidents is easy when you know what to do. Accident prevention is the plans, preparation, and actions taken to avoid accidents or stop them from taking place. There were almost 45 people gathered for this awareness program. we explained in detail about various causes, management, and prevention of major forms of accidents that occur in our everyday life with the help of appropriate audio–visual aids. It took 30 minutes for presentation. The audience cleared their doubts by raising questions after the session.

The students gained knowledge from different resources regarding accidents, its incidence, types and preventive measures. The public got information regarding prevention of accidents .

REPORT OF AWARENESS PROGRAM ON DIET AMONG OLD AGE PEOPLE

The fourth-year B.Sc nursing students of Nehru College of Nursing went for an old age home visit on 24 September 2022 at"Emmanuel Geriatric Centre", Thiruvilwamala. The institution is run by Mr.Isac and Mrs. Maneesha, since 2004. There were a totally of 11 old age people and two orphan children. There we conducted an awareness program regarding diet among old age people under the guidance of our faculties Mrs. Zaina Elizebath and Mrs. Rose Jose. All the inmates were diabetic free so we prepared tapioca, fish curry, and chammanthy along with black tea. We spend a whole day with them made them entertained and also gave financial support to them. Students gained knowledge regarding the requirements of nutrients for old age. The oldage people got nutritious food on lunch time and acquired informations regarding their nutritional requirements.

REPORT OF MEDICAL CAMP ON DEAF AND DUMP GOVERNMENT SCHOOL, KANIYAMPURAM

Deaf and dump is an archaic term that is considered offensive. Many deaf people do not use a spoken language, thus they are technically mute. The dump has also meant mute. Being deaf is not a mental illness; it's simply a problem with their hearing, and that can affect their ability to speak clearly or in some cases at all.

As a part of the NSS Campaign, the 4th year BSc.Nursing students of Nehru College of Nursing have got an opportunity to be a part of the medical camp on Deaf and Dump Government School, Kaniyampuram in collaboration with the Primary Health Center, Lakkidi. The program was conducted on 21-07-2022 at 10 am. Around 50 students participated in the medical camp. Mainly the screening tests for anemia and physical examination of the students were done.

Through this medical camp, signs and symptoms of anemia were noted among some of the students. It became beneficial for them to seek early treatment. Students gained skills to use different screening tests and do the thorough physical examination.

HRIDHAYATHALAM

World heart day 2k22

World Heart Day (29 September) is an opportunity for everyone to stop and consider how best to use heart for humanity, for nature, and for self. Beating cardiovascular disease is something that matters to every beating heart. World Heart Day 2022, is asking the world to: USE HEART FOR EVERY HEART. Use Heart means to think differently. To make the right decisions. For Every Heart involves the use of "FOR" and swings the focus from the actions themselves to the beneficiaries of the actions, allowing for wider application of the campaign while also making it more personal

Thinking a different approach which is good for cardiac health, P K Das institute of medical sciences in coordination with NSS unit in Nehru College of Nursing & other colleges under NGI organized a marathon & zoomba segment on the World heart day September 29th 2022. With unconditional effort & unity the event made remarkable on the special day. The marathon was followed by the inaugural function. Honourable Chairman & managing trustee Adv Dr P Krishnadas inaugurated the event officially. Dr R C Krishnakumar (Director operations PKDIMS), Dr Frijo George (Cardiologist PKDIMS), Dr M A Androose (Principal PKDIMS) & many other dignitaries addressed the gathering & reminded the importance of this special day. The Medallions our 3rd year BSc Nursing students manifested outstanding performance in the event & Mr Rahul secured 3rd position in marathon boys Ms Farshitha got second & Ms Aksa got third from girls side & received prizes from Honourable Chairman & Managing trustee Adv Dr P Krishnadas. A vibrant zoomba session was led by the zoomba trainer Dr Gouri Megha after the marathon. Our students had participated in this session very energetically. This was followed by releasing of red love balloons in the sky which representing the theme use the heart for every heart.

HRIDHAYATHALAM

World Heart Day 2k22
(Organized by PKDIMS)

World Heart Day (29 September) is an opportunity for everyone to stop and consider how best to use heart for humanity, for nature, and for self. Beating cardiovascular disease is something that matters to every beating heart. World Heart Day 2022, is asking the world to: USE HEART FOR EVERY HEART. Use Heart means to think differently. To make the right decisions. For Every Heart involves the use of "FOR" and swings the focus from the actions themselves to the beneficiaries of the actions, allowing for wider application of the campaign while also making it more personal

Thinking a different approach which is good for cardiac health, P K Das institute of medical sciences in coordination with Nehru College of Nursing & other colleges under NGI organized a marathon & zumba segment on the World heart day September 29th 2022. With unconditional effort & unity the event made remarkable on the special day. The marathon was followed by the inaugural function. Honourable Chairman & Managing Trustee Adv .Dr. P. Krishnadas inaugurated the event officially. Dr R C Krishnakumar (Director operations PKDIMS), Dr Frijo George (Cardiologist PKDIMS), Dr M A Androose (Principal PKDIMS) & many other dignitaries addressed the gathering & reminded the importance of this special day. The Medallions, 3rd year B.Sc Nursing students manifested outstanding performance in the event & Mr. Rahul secured 3rd position in marathon boys, Ms. Farshitha got second & Ms. Aksa got third from girls side & received prizes from Honarable Chairman Chairman & Managing Trustee Adv. Dr. P. Krishnadas. A vibrant zoomba session was led by the zoomba trainer Dr Gouri Megha after the marathon. Our students had participated in this session very energetically. This was followed by releasing of red love balloons in the sky which representing the theme use the heart for every heart.
Students could attain the knowledge regarding the concept of word health day and they could deliver the same thing to the public also.

NSS VOLUNTEERS PARTICIPATION IN THE MEDICAL CAMP

All the NSS volunteers who opt to serve the nation through the NSS lead community service with pride and a sense of responsibility towards helping the needy. Being one of the major part of the health care system it the responsibility of the nurse to take steps forward for those who are in need of the health care facilities.

The NSS Volunteers of Nehru College of Nursing were a part of the health camp & the first aid clinic organized by P K DAS INSTITUTE OF MEDICAL SCINECE at THIRUVILLUAMALA , SREE VILLUADHRI KSHETHRA NIRAMALA MAHOLSAVAM on 22nd Sep 2022. Our NSS volunteers from 4th year BSc Nursing , Mr. ARUN & Mr . ALEN CHERIYAN had given a dedicative work there in the camp along with the efficient medical professionals from our parent hospital P K DAS Institute of Medical Sciences. Such social commitment & responsibility of our students are admiring & these really help them to be the best professional in future.

Students gained skills to perform screening tests and to run first aid clinic. The public got an opportunity to identify the problems earlier and to seek further management.

SCHOOL HEALTH PROGRAMME & SANITATION CAMPAIGN

As a part of Community Health Nursing and NSS activity, Nehru College of Nursing & NSS volunteers conducted a school health programme on 28-9-2022 at TRK Higher Secondary School, Vaniyamkulam from 9:30 am to 3:00 pm.

School health programme is carried out with the community to promote and protect the health of students as well as school personnel. Around 107 students took part in school health programme,57 boys,50 girls respectively. An Optometrist Mrs. Reshma and a House surgeon Mr. Nirmal participated in this programme. Their sincere service makes the programme successful. All students have undergone both ophthalmic screening and medical check-up. The student assisted for screening and take anthropometric measurements of all school children. Health education given to them about menstrual hygiene and substance abuse. Health exhibition was conducted by using charts and specimens.

In the afternoon session, a sanitation campaign was conducted by NSS volunteers from 2pm -4pm. They cleaned the school ground. It was uplifted the Swachh Barath theme of our nation among school children. The team work of our students make the school health programme successful.

Students acquired knowledge, skill and attitude regarding ophthalmic screening, medical check up and anthropometric measurements. The school students got information regarding their weight, height, BMI and their health status.

EQUALIZE - World AIDS Day 2022.

To spread awareness about devastating effects of AIDS and about the measures to be taken to prevent the spread of HIV virus. The UN observes 1st day of December of every year as the World AIDS Day. People around the world unite to show support for people living with and affected by HIV and to remember those who lost their lives to AIDS.

The inequalities which perpetuate the AIDS pandemic are not inevitable; but we can tackle them. This World AIDS Day, UNAIDS is urging each of us to address the inequalities which are holding back progress in ending AIDS. The "Equalize" slogan is a call to action. It is a prompt for all of us to work for the proven practical actions needed to address inequalities and help end AIDS.

The Nehru College of Nursing NSS unit and the department of community health nursing organized very informative programs like Skit, Flash mob to provide all facets of awareness about the AIDS on this World AIDS Day, 2022 at P K Das Institute of Medical Sciences, Ottappalam Bus stand, and TRK Higher Secondary School, Vaniamkulam. The students also conducted a quiz competition at TRK Higher Secondary School. Students actively participated in all the programs and provided more information to public about prevention of AIDS and also explained the importance of theme "Equalize".

The Public got an awareness regarding AIDS through the skit and flash mob. Students have improved their skill in educating the public through various methods.

AWARENESS PROGRAMME ON PREVENTION OF NON-COMMUNICABLE DISEASES

As part of NSS and community health nursing, an awareness program was conducted regarding the prevention of non-communicable diseases in CHC. The awareness program was inaugurated by Mr. Midhun JPHN. The content was presented by Aparna A S, Ansil Shabu, Anju Saju, Anjana, and Anisha.

The fourth-year B.Sc nursing students got an opportunity to conduct an awareness program regarding the prevention of non-communicable diseases which is more common among community settings. Prevention of noncommunicable diseases is very easy when you know what to do. Non-communicable disease prevention is the plans, preparation, and action taken to avoid non-communicable diseases. This awareness program was given to 40 patient and was beneficent and its causes, and management was discussed. It takes about 25 minutes. The audience Cleared their doubt by rising questions after the session. Students got knowledge regarding the significance of non communicable diseases and its prevention. This awareness programme provided additional knowledge about the measures to prevent non communicable diseases.

Emerging diseases and their Prevention

As a part of NSS and Community health nursing, the IV-year B.Sc nursing students got an opportunity to conduct an awareness program regarding EMERGING DISEASES AND ITS PREVENTION. A health awareness program was conducted in Lakkidi PHC and inaugurated by medical officer Dr. Sabu. The content was presented by Chelsiya Nixon, Chinchu C.P., Diya Rose, Dona Rose, Emili Elsa, Geethanjali, Haritha R Nair, Hilda, and Jithisha.

Emerging infectious diseases

Emerging diseases include HIV infections, SARS, Lyme disease, Escherichia coli O157:H7 (E. coli), hantavirus, dengue fever, West Nile virus, the Zika virus, Corona virus, Ebola virus, etc. Reemerging diseases are diseases that reappear after they have been on a significant decline.The team discussed the disease conditions, management, and preventive measures. Nearly 11 members took part in the awareness program. The audience benefited from the program by clearing their doubts and active participation. The people who were in PHC acquired knowledge about the emerging diseases and its prevention. The students developed their learning and teaching skills, ablility to interact with others and attitude towards health education for public.

'NO TO DRUGS' AWARENESS CAMPAIGN

Venue: - Vaniyamkulam Grama Panchayath

The Government of Kerala had launched a comprehensive 'NO TO DRUGS' campaign to make the southern states free of destructive contrabands and it would be achieved by any means. The Government of Kerala initiated several antidrug campaigns. Campaign made as a part of curriculum under the consideration of Government, for seeing that everyone should come together without any prejudice to secure the future of country and it's children. Active participation of students and youth organizations are encouraged to ensure in the fight against drugs.

As a part of antidrug campaign Nehru College of Nursing and NSS unit conducted an antidrug rally and awareness programme in collaboration with Vaniyamkulam Grama Panchayath on 31st October 2022 at 9.30am. 60 students of Nehru College of Nursing take part in the programme. Inauguration done by Panchayath President Mr. Gangadharan. Speech about antidrug done by Panchayath member Mrs. Sindhu. Rally conducted from P K Das hospital to Vaniyamkulam Grama Panchayath.Students actively take part and displayed placards about anti-drug and after that given an awareness programme.

By this programme public got an awareness regarding the drug abuse and its after effects. Students improved their skill to educate the public.

BREAST FEEDING WEEK 2K22

(AWARENESS PROGRAM)

Breast feeding week 2022 focus on strengthening the capacity of acts that have to protect, promote and support breastfeeding across different levels of society. These actors make up the warm chain of support for breastfeeding. Target audiences including governments, health systems, workplaces and communities will be informed, educated and empowered to strengthen their capacity to provide and sustain breastfeeding-friendly environments for families in the post pandemic world. This year, the theme for World Breastfeeding Week (WBW 2022) is "Step up for Breastfeeding - Educate and Support."

With regards to world breast feeding week community health nursing department & ZAPHAYERS organized an awareness program at Primary health center Lakkidi for the breast feeding mothers on 10th Aug 2022 11am. The aim of this program is to promote breastfeeding and bring the breastfeeding community together. People need to be informed about breastfeeding's advantages. The session discussed about bioactive components of breast milk , nutrition & diet during breast feeding , positions of breast feeding, common breast feeding struggles. In This World Breastfeeding Week, let's join hands and promote breastfeeding while educating ourselves and others about the theme, history, and significance of world breastfeeding week.

EXHIBITION OF HERBAL PLANTS

"Plants have been used for medicinal purposes long before prehistoric period. According to WHO, around 21,000 plant species have the potential for being used as medicine. The economic importance of medicinal plants is much more to countries such as India than to rest of the world. As our lifestyle is now getting techno-savvy, we are moving away from nature. So medicinal plants are important for people, not only as a primary source of medicines but also as phytochemical building blocks for development of new drugs "

Community health Nursing department & NSS Unit of Nehru college of nursing organized a exhibition of herbal plants at Govt Voc H S S Koonathara on 17th July 2022 with the aim of making the public aware about the relevance of using medicinal plants in their day today life. Our 4th year BSc Nursing students were the main organizers of this event. Herbs of different categories were displayed in the exhibition & the students explained about each plant & its medical use. Public from local areas & the students of that school were active part of the exhibition. Through this event we tried to spared the message to the public that herbs are natural products they are free from side effects, they are comparatively safe, eco-friendly and locally available & there is a need to promote them to save the human lives. Such interesting & novel ideas for creating public awareness to be certainly appreciated

NCN participation in AROGYA MELA 2K22
Organized by Ottappalam Block Panchayath

Awareness plays a key role in approach to improving access to healthcare. Awareness programs seek to empower communities, medical professionals and patients with appropriate tools, information and skills so that they can make high-quality, informed decisions on prevention, diagnosis, treatment, care, and support.

The department of Community Health Nursing & NSS unit of Nehru College of Nursing got an opportunity to be a part of the health awareness program organized by Ottappalam Block Panchayath including all the Government & private health institutions in Ottappalam block. The program was held in two consecutive days. On 16th July 2022 an awareness rally was conducted, which was from P K DAS Institute of Medical Sciences to Vaniyamkulam Panchayath office. Staffs from different Government & Private Health Care institutions, students from different nursing institutions, ASHA workers, Kudumbashree workers and the other healthcare providers were accompanied in the Rally with pluck cards which conveyed the message of importance of health. The rally singed off with a flash mob by the final year students of Nehru College of Nursing.

On 17th July 2022 an awareness exhibition was conducted at Government Vocational Higher Secondary School, Koonathara. Each of the health institutions prepared a stall which represents different health aspects. Our 4th year students were dealing with maternal & child care. The stall was equipped with different charts & models which explains the concept. Around hundreds of public from the nearby areas attended the event. Team NCN is very privileged & proud to a part of this great event. As the future health care provider, students are the ones who provide the hands-on care & one of the most critical roles that they have in health promotion and disease preventions.

Public got knowledge about critical role possessed by a nurse, health promotion and disease prevention methods through different models and charts . The students took efforts to create these visual aids. So they gained skills to prepare, learn, educate and deliver the content very effectively.

REPORT ON WORLD DIABETES DAY

World diabetes day was celebrated on 14/11/2022.The theme was "Education to Protect Tomorrow". There is a need to strengthen access to quality education on diabetes both for the health team and for people living with diabetes, their caregivers, and society in general. It was conducted as an health education programme and it was conducted at surgical ward , PKDIMS. Total number of participants were 30.They were enthusiastic and asked relevant questions regarding the topic. They were benefitted with the health education programme and expressed their gratitude towards Nehru College of Nursing

WORLD HYPERTENSION DAY MAY 17. 2023

The WHO South East Asia Region is accelerating action to prevent, detect and control hypertension which affects an estimated 1.28 billion people globally, two thirds of them in low –and middle – income countries. The theme of this year's World Hypertension Day – *"Measure Your Blood Pressure, Control it, Live Longer"*- highlights the need to increase the awareness and access for all people in the region to quality hypertension services.

As a part of this special day, Mental Health Department along with third year BSc nursing students conducted a programme in PK Das Institute of Medical Sciences on 17/05/2023 at 2pm. Students started the programme with an introduction regarding the day and the programme. Programme began with a flash mob and a role play. 20 students were participated in the programme and 50-80 audiences (clients, bystanders and other hospital staffs) witnessed the programme. The role play was very informative and useful for the people and they covered onset, its causes, manifestations and management of hypertension in a comic and interesting way. The session was ended with a health education regarding hypertension. We realized that the programme made the people aware about hypertension when reviewed the feedback from audience.

WORLD HEPATITIS DAY

World Hepatitis Day (28/07/2022) was celebrated on 29/07/2022 with the theme "Bringing hepatitis care closer to you", aiming to raise awareness about the need to simplify and bring hepatitis care to primary health facilities, community-based venues and locations beyond the hospital sites, so that care is closer to communities and people wherever they are . It was celebrated as an health education programme and it was conducted at medical ward of the parent hospital P K DAS Institute of Medical Sciences. The number of participants were 15.They were excited about the session and doubts were clarified.

As a part of NSS and community Health Nursing , we conducted an awareness programme regarding stoma care in PKDAS on 20/3/2023 at 10:00 am for outpatients. The awareness programme was inaugurated by Dr. Sreenivasan Gandhi principal of Nehru College of Nursing . The content was presented by Adhil , Izabel and Aparna. The stoma care nursing service is designed to meet the needs of people who are undergoing bowel surgery which has resulted in a stoma and long term support / advice as needed. There were almost 45 people gathered for this awareness programme. We explained details about the various causes , procedural steps ,

And management with the help of appropriate audio-visual aids. It takes about 30 mins . The audience cleared their doubts by raising questions after the session.

As a part of NSS and Community Health Nursing , we conducted an awareness programme regarding wound healing in PKDAS on 28/3/2023 at 10:00 am for outpatients. The awareness programme was inaugurated by Mrs. Priya Mary Stella vice principal of Nehru College of Nursing , the content was presented by Athira , Aswathi and Bessy . A Wound healing mostly means healing of the skin. The wound healing begins immediately after an injury to the epidermal layer and might take years. There were almost 45 people gathered for this awareness programme. We explained in detail about its causes, clinical features, management and prevention with the help of appropriate audio-visual aids. It takes about 30mins . the audience cleared their doubts by raising questions after the session.

ANTI TOBACCO DAY AWARENESS PROGRAMME 2023

Anti-Tobacco awareness aims to encourage smokers to quit and to prevent young people from starting the habit. The theme of ANTI TOBACCO DAY 2023 is WE NEED FOOD, NOT TOBACCO. This theme emphasizes the importance of raising awareness about alternative crop production and marketing opportunities for tobacco farmers and encourage them to grow sustainable, nutritious crops.

Anti Tobacco awareness programme was organized with mutual effort of Community Health Nursing Dept. Nehru College Of Nursing, & Community Medicine Dept, P K. Das Institute of Medical Science, Vaniyamkulam.The program started with welcome address and unveiling the theme done by Mrs.JUBEENA Associate Professor, PK Das Institute of Medical Science, Vaniyamkulam. DR. R.C.Krishnakumar Honorable Director Operations PKDIMS done the inauguration & welcoming for the programme

NSS Volunteers of NCN performed an excellent and remarkable thematic dance (Ms.Annaina J Tom and group members) who were guided by Mr. Nowfel PM, Mrs. Rose Jose and Mrs Sherin Thomas Nursing Facultes , Community Health Nursing Dept, Nehru College Of Nursing, Vaniyamkulam. Followed by an enhancing role play by PKDIMS students.PK DAS Hospital,Vaniyamkulam, SICOMS College Pathirippala, Govt. ITI College, Vaniyamkulam was made aware of the programme by thematic dance in the hospital premise, auditorium of the respective areas. By raising awareness and promoting tobacco control measures, Anti-Tobacco Day plays a vital role in reducing the burden of tobacco-related diseases and promoting a healthier society

As a part of clinical posting we conducted an "Awareness programme on osteoporosis" in PKDIMS on 24/01/2023 at 10:30 am for outpatients.The awareness programme was inaugurated by Mr. Prabhin DNS.The content was presented by Abhijith,Alenta,Alisha Alex,Amal Shareefa,Nandana,Najiya Nasarudheen, Nayana and Priya Sara. Osteoporosis is a low bone mineral density caused by altered bone microstructure, ultimately predisposing patients to low-impact, fragility fractures.There are almost 45 people gathered for this awareness programme .We explained in detail about various causes,symptoms and management of osteoporosis.It takes about 30 minutes.The audience cleared their doubts by raising questions after the session.

ABSTRACT

A descriptive study to assess the knowledge regarding the micro and macro vascular complications of diabetes mellitus in a selected hospital at Palakkad district. **Method:** Quantitative approach was used and study design was descriptive study research design. 30 samples were selected using purposive sampling technique. Data was collected by using demographic variables and structured knowledge questionnaire on micro and macro vascular complications of diabetes mellitus among staff nurses .The data was analysed and interpreted using descriptive and inferential statistics. **Result:** Through chi square analysis it is found that there is no significant association between the level of knowledge and demographic variables .The mean score of knowledge is 14.23 from 30 samples. The study reveals that the staff nurses of PKDIMS have moderate knowledge regarding the micro and macro vascular complications of diabetes mellitus.

ABSTRACT

Road traffic continues to be a major developmental issue and a public health concern. Road accidents in India kill almost 1.5lakh people annually, and India accounts for almost 11% of the accident related deaths in the world. Prevention of road traffic accident is very crucial by creating awareness and taking proper measures towards road safety.

The statement of the problem was to assess the attitude towards traffic rules among teenagers in selected school. The objectives of the study were to assess the attitude towards traffic rules among teenagers and to find out the association between attitude towards traffic rules and selected demographic variables of teenagers. A non experimental descriptive research design was used in the study. 54 teenagers were selected by convenience sampling technique. The data was collected by using a self administered questionnaire containing demographic variables and 5 point likert attitude scale regarding traffic rules.

The data was analyzed using descriptive and inferential statistics. The study findings revealed that majority of teenagers 26(48.14%) had highly favourable attitude towards traffic rules,16(29.62%) had favourable attitude towards traffic rules,10(18.5%) had moderately favourable attitude towards traffic rules and 2(3.70%) had unfavourable attitude towards traffic rules. And also study revealed that ,the calculated Chi-square value of gender 18.39 was greater than table value 7.87 at $p<0.05$ level. Hence there is significant association between attitude towards traffic rules and gender of teenagers. The study concludes the need to enforce strict traffic regulations for improving the use of helmet and seatbelts during driving. Enforcement of effective traffic law, regular awareness programs on traffic safety rules, ensuring good vehicle and road condition will be helpful to reduce the risk of motor vehicle accidents in India.

Keywords: Assess, Attitude, Traffic Rules, Teenagers.

ABSTRACT

Nowadays the statistics show that the abuse of children and adolescents is alarmingly high. During childhood the children can intensely catch up what they see through visualization, so that we choose role play to convey our message. The present study was conducted to assess the effectiveness of role play regarding good touch and bad touch among selected primary school students. The major study objectives are to assess the level of knowledge regarding good touch and bad touch among selected primary school students, plan and conduct role play on the basis of good touch and bad touch among selected primary school students, to assess the effectiveness of role play regarding good touch and bad touch among selected primary school students and the fourth objective is to find the association between knowledge regarding good touch and bad touch among selected primary school. A quantitative experimental research design was adopted for the study and the sample size of the study was 40 primary school students and a non - probability convenient sampling technique was used to select the sample. Data collected in the form of pretest and posttest by using a knowledge questionnaire, and analyzed descriptive and inferential statistics. In the results, the paired sample statistics showed that the mean value of the pretest was '10.75' and the post test was '14.53'. The post test value is greater than pretest value, so the roleplay was effective among selected primary school students.

ANTI-RAGGING AWARENESS CAMPAIGN

Ragging is a disturbing reality in the higher education system of our country. Despite the fact that over the years ragging has claimed hundreds of innocent lives and has ruined the careers of thousands of bright students, the practice is still perceived by many as a way of 'familiarization' and an 'initiation into the real world' for young college-going students.

Nehru College of Nursing promoted by Nehru Educational and Charitable Trust runs with the moto of molding true citizens is always determined in building eternally efficient citizens to the society by giving the best quality education. With an aim of accomplishing the motto Nehru College of nursing organized an anti-ragging awareness campaign on 11th Jan 2023 11 am at NCN auditorium. **Adv A P Unnikrishnan (Legal & Clinic Coordinator, Nehru Academy of Law)** was the resources person for the session. The session was aiming for making students aware of the laws of the country with respect to ragging and how it affects the lives of people victimized by it. This program really helpful for the students to ensure that no ragging takes place in the Institute and its hostel premises, by promulgating and enforcing stringent anti-ragging measures, and making provisions for deterrent and hard punishment to defaulters.

COURSE CONTENT

Introduction

A person who is offered a quality education is able to serve the region, the state and the nation through resourceful educational programmes. A quality based education consequently helps in upgrading the individual's growth which in turn endorses the growth of the nation. It offers Quality Education to create a personal paradigm, devoted to master the life skills required for success.

All human beings, need to understand harmony in themselves, harmony with others and harmony with rest of the nature. There is n interconnectedness, self regulation and harmony at all levels of existence and this needs to be identified by each individual. Human beings governed mainly by their pre- conditionings and sensory experiences and are generally very hesitant to analyze them. However, once a break through is achieved, the subsequent journey is very smooth and pleasant.

Values are our guidelines for our success - our paradigm about what is acceptable. Human behavior depends on the characters defining the identity, choosing the values and establishing the beliefs. Ethics is an activity which concerns with the investigation of moral values in moral issues.

"Human value and professional ethics" enlighten the students with the fact that right understanding about oneself and rest of the existence and living in accordance with this understanding is essential for sustained human happiness and propriety.

Nov 5th 2022

Webinar on Mental Health & Substance use challenges 2022

For many years, drug trafficking in South Asia has been the most lucrative form of business for criminals. Substance abuse refers to the harmful or hazardous use of psychoactive substances, including alcohol and illicit drugs. Substance abuse and mental health disorders such as depression and anxiety are closely linked, although one doesn't necessarily directly cause the other. Substance use challenges can impact one's life in many ways. Things like feeling like a burden, racking up legal & financial expenses, feeling like one can't stop using, or having relationship problems can all stem from substance use.

Mental health department of Nehru College of Nursing organized an international online webinar in Google meet platform on Nov 5th 2022 on the topic mental health & substance abuse challenges with 06 (C/87188/2022/NC-CNE) KNMC credit hours . The webinar started with an official inauguration session by Mrs Sumitha Krishnadas (Management representative NGI). The webinar incorporated several interesting areas in mental health & substance abuse challenges. & the topics was dealt by different eminent Nursing professionals who are expertise in the field of Mental health Nursing. First session on Overview to substance use disorders was discussed by Mrs Anusweena Thomas (Associate professor MHN department NCN) Second session on Consequences of substance use disorders was dealt by Dr. Professor Lida Antony (Vice principal , DM WIMS , Nursing College, Wayanad.) Third session on Mental health & substance use was taken by Prof. Mrs. Boncy Scaria (Principal Assisi College of Nursing, Kottayam) fourth session on screening & Assessment in SUD was discussed by Mr. Bivin JB (Nursing officer , forensic psychiatric division, Mental health centre, Thiruvananthapuram.) In the afternoon session Mr. Saneesh A Thomas (Mental health Nurse , Hamad medical corporation , Qatar)discussed the topic substance use & psychological intervention & the topic trauma , SUD & it's co morbidities. Mrs. Sandhya Gireesh (Lecturer NCN) dealed the topic stigma & discrimination in SUD . The topic suicide & self-harm in SUD was taken by Mrs Anusweena Thomas (Assistant professor NCN)

IDEA FEST 2K22

The new technological innovations focus on monitoring new and emerging technologies with a view to making learning the new technologies at the right time. The future of healthcare technology is entering a new era as researchers, innovators, and lawmakers strive to improve the accessibility, effectiveness, and cost of care. Technology undoubtedly will play a key role in healthcare's future. Institution innovative council is to promote innovation in the Institution through multitudinous modes leading to an innovation promotion eco-system in the campuses.

Nehru College of Nursing is recognized among the top 150 institutions in India at National Institutional Ranking Framework, under Ministry of Education, Government of India. To build up more Entrepreneurs from the field of Nursing, The IIC of NCN under the guidance & supervision of IIC Co-ordinator Dr. Binu Babu (Professor, Medical Surgical Nursing Department) organized an idea fest for the students on 22nd SEP 2022. Dr. Sudheer S Marar (HOD, MCA, NCERC) was the evaluator for the competition. The competition was very interesting & enthusiastic & the students put forward many ideas that empower the transition of healthcare delivery away from the point-of-care model to the more efficient, effective whole-patient approach to care.

ABOUT THE COLLEGE

As a challenging profession, Nursing is dedicated to the service of humanity, and Nehru College Of Nursing is one of the premier and prestigious institution in and among the Nehru group of institutions to facilitate quality education in the health care field with a motto of 'MOULDING TRUE CITIZENS" and with a mission to bring world-class health care within reach of every person and to maintain academic excellence in Nursing education and research. Nehru College Of Nursing visualizes training and creating true professionals in nursing through eminent faculty, providing the finest infrastructure, giving access to the latest data, arranging excellent clinical practice facilities, and facilitating the right ambiance for attitude formation in Nursing.

ABOUT THE WORKSHOP

An ECG is a picture of the electrical conduction of the heart. By examining changes from the normal ECG, a multitude of cardiac disease processes can be identified. This workshop focuses on pattern recognition and understanding the exact electrical vectors recorded by an ECG as they relate to cardiac electrophysiology.

The workshop also focuses on BLS, which includes recognizing signs of sudden cardiac arrest, foreign body airway obstruction, and the performance of BLS with an automated external defibrillator.

AIM OF THE WORKSHOP

The workshop is designed to provide the ability to recognize several life-threatening emergencies, provide BLS, use an AED, and relieve choking in a safe timely, and effective manner.

OBJECTIVES OF THE WORKSHOP

At the end of the workshop, the participants will be able to

- Interpret ECG
- Identify abnormal rhythms
- Perform Adult BLS
- Develop skill in providing Bag-Mask Ventilation
- Manage AED
- Perform Child infant BLS
- Manage /relieve choking in adult and child

Target Audience

- Nursing Faculty
- UG and PG Nursing Students
- Staff Nurses
- Nursing professionals
- Medical and paramedical Professionals

NEHRU COLLEGE of NURSING

PANAYUR (P O), VANIYAMKULAM, PALAKKAD - 679 522

(Approved by Indian Nursing Council, Kerala Nurses& Midwives Council& Kerala Government
Affiliated to Kerala University of Health Sciences)

STATE LEVEL WORKSHOP ON LINE OF LIFE

Nowadays, nursing is developed and evolved parallel to the advances of other sciences. factors such as brilliant growth of professional knowledge, the desire toward occupational promotion, clients demand to receive new standards services as well as rapid changes health and treatment, all emphasize on the nurses needs for their adaptation with necessary professional changes and designing education of programs to fulfil these learning needs.

Every year, over seventeen million people die from heart disease. As a way to fight this, the world federation created world heart day. Its an event held every year on September 29 with regards to the world heart day 2022, Nehru College of Nursing organized a state level workshop in two consecutive days 29th and 30th Sep 2022 which was officially inaugurated by Mrs Sumitha Krishna Das (management representative, NGI) and offered wishes to the event the workshop has KNMC credit hours- C /69997/2022/NC-CNE. On the first day of event, the efficient professors of Nehru college of Nursing dealt with theory and practical sessions of ACLS and BLS. Our Principal Dr Kavithamole P J dealt the topic "Basics of adult BLS, bag and mask ventilation, AED and the practical sessions was covered by Vice Principal, Prof. A Priya Mary Stella. Lt Col Regina P F, Associate Professor, Nehru College of Nursing discussed Child and infant BLS theory and practical session. Dr Binu Babu, Professor,NCNhas taken management in adult and child.

On the second day Mr Jeril Cheriyan, Principal MWT Global Academy pvt.ltd, Ernakulam had given a thorough detailed session on electro cardiogram. Sessions on both these days were very informative which really help the students knowing that possessing these skills can increase the confidents level, especially if they work in a field that requires them to interact with vulnerable people.

- Send the abstract in PDF format limited to 250 words
- Duration of presentation : 10 mnts (7 mnts for presentation and 3 mnts for discussion)
- Presentation format : PPT (maximum 15 - 20 slides)
- Mail Id for sending abstract : donafrancisk@gmail.com
- Registration fee 100/- per presentation transfer to A/c : 44592010006709, IFSC : CNRB0014459
- Contact for enquiry : Aswani B - 8113042284

Dona Francis - 9495562948

INTERNATIONAL WEBINAR ON "**BREAST FEEDING –INTERNATIONAL PERSPECTIVE"**

The day highlights the benefits that breastfeeding can bring to both the health and welfare of babies. The day also focuses on maternal health, good nutrition, poverty reduction, etc. The best source of nourishment for infants and young children is breastfeeding. It is a proven lifesaving strategy that helps in protecting children against various common childhood illnesses like diarrhoea and pneumonia. The theme of world breast feeding week 2021 was "**Protect Breastfeeding: A Shared Responsibility**"

Keeping this in mind and to raise awareness regarding the importance of breastfeeding, The Department of Child Health Nursing and Department of Obstetrics and Gynaecological (OBG) Nursing of Nehru College of Nursing organized International Webinar on "**Breast Feeding –International Perspective**" through virtual platform for the nurses and faculty members from India and abroad . The webinar was attended by 133 participants.

Mrs. Aswini B Assistant Professor, Department of Paediatrics presented the welcome address and welcomed all the Guests, speakers and participants, and expressed her sincere honour to have such a program during the pandemic. Scientific paper presentation was done by 16 participants from various institutions across the country.

Adv. Dr. P Krishnadas Chairman and managing trustee, Nehru group of Institutions, Kerala-Tamiladu, given special address to the gathering. Dr. R.C. Krishnakumar, Director operations PKDIMS, Dr. Andrews Principal PKDIMS, Mrs. Sumitha Krishnadas Management representative, Mr. Sreenivas Principal Coordinator NGI, and Dr. Prof. Kavitha Mole PJ give felicitation address.

REPORT ON HEALTH EDUCATION PROGRAMME ON HOUSEHOLD WASTE MANAGEMENT

Biomedical waste management methods aim to avoid waste generation or recover as much waste as possible, rather than disposing of it. Therefore, the various methods of biomedical waste disposal according to their desirability, are prevent, reduce, recycle, reuse, recover, treat and lastly dispose of. So, the awareness programmes in community houses will be very beneficial. As a part of the NSS Campaign, we are the 4th year BSc. Nursing students of Nehru College of Nursing have conducted an awareness programme regarding household waste management in community houses as a part of a home visit on 24-06-2022 at 10 AM in Minippadi. The class was very much effective for the community people, they will gain knowledge about household waste management.

Through the health education program, students acquired skills to deliver the important matters to the public, knowledge regarding types of wastes, its management and problems associated with increased household wastes. The people got informations regarding household wastes and its proper management.

REPORT ON AWARENESS PROGRAMME ON HAZARDS OF ECOSYSTEM DESTRUCTION

An ecosystem is a collection of plants, animals and other living organisms that share the space and benefits of an environment. When external factors such as pollution, the balance of the ecosystem are disturbed, so they have termed ecosystem destruction.

As a part of the NSS Campaign, the 4th year BSc. Nursing students of Nehru College of Nursing conducted an awareness programme regarding hazards of ecosystem destruction on 24-06-2022 at 10 AM in the Community Health Centre, Shornur. The class was very much effective for the community people, they will gain knowledge about the hazards of ecosystem destruction. The public awared about the hazards of ecosystem destruction through this campaign. The students improved the skills to present a theme for the public and became more knoledgeable.

28th APRIL 2023

World Day for Safety and Health at Work 2023

World Day for Safety and Health at Work is celebrated to promote safe, healthy, and decent work environments across the globe. The day aims to educate people about preventing occupational accidents and other diseases caused due to work or work-related injuries The year 2023, the chosen theme for the World Day for Safety and Health at Work is "A safe and healthy working environment as a fundamental principle and right at work", emphasizing the importance of workplace safety and health as an essential principle and right for workers.'

The community health department of Nehru College of Nursing conducted the World Day for Safety and Health at Work on 28th APRIL 2023 11.30 am at NCN auditorium. The event officially started with Welcoming & theme revealing by Prof Ushas Jose (HOD Community Health Nursing Dept) This was followed by an awareness session about this day by Mr. Nowfel P M (Assit Prof CHN Dept NCN) & Mrs Rose Jose (Assit Prof CHN Dept NCN) After the awareness session the 4th year students had conducted a debate on safety & health at work. There are many areas of workplace safety for client care and nurses wellbeing that, if not handled with care by the nurse may become risky to clients, nurses and other persons in the hospital so these kind of awareness sessions are really helpful for the students to develop their knowledge
